**Item 1.01. Entry Into a Material Definitive Agreement.**

On May 7, 2025, the Company entered into consulting agreements (collectively, the “May Consulting Agreements”) with each of Huey Co. LLC, PC2ATX, LLC, McMillan Co., Skeleton Crew Labs LLC, and Z-List Media, Inc. (together with Bristol (as defined below) the “Consultants”), pursuant to which each Consultant will assist the Company with, among other things, crypto portfolio management; investor relations; strategic planning; deal flow analysis and advice related to sector growth initiatives (the “Services”). Each May Consulting Agreement has a term of one year.

On May 7, 2025, the Company also entered into a Fourth Amendment to Consulting Agreement with Bristol Capital, LLC (“Bristol”), which amended the existing consulting agreement between the Company and Bristol (as amended, the “Bristol Consulting Agreement” and together with the May Consulting Agreements, the “Consulting Agreements”) to provide for Bristol to perform additional Services to the Company.

In connection with the Consulting Agreements, the Company issued to each Consultant warrants to purchase up to an aggregate of 1,500,000 shares of the Company’s common stock, par value \$0.0001 per share (“Common Stock”), per Consultant, consisting of (i) a warrant to purchase up to 500,000 shares of Common Stock at an exercise price of \$1.05 per share, which was the closing price of the Common Stock immediately prior to the execution of the Consulting Agreements, as reported by the Nasdaq Stock Market LLC, (ii) a warrant to purchase up to 500,000 shares of Common Stock at an exercise price of \$1.25 per share, and (iii) a warrant to purchase up to 500,000 shares of Common Stock at an exercise price of \$1.50 per share (collectively, the “Warrants”).

The Warrants are each exercisable immediately and will expire five years after the date of issuance. The exercise price of each Warrant and number of shares underlying such Warrant are subject to standard adjustments in the event of certain events, such as stock splits, combinations, dividends, distributions, reclassifications, mergers or other corporate changes.

Holders of the Warrants (together with such holder’s affiliates) may not exercise any portion of any Warrant to the extent that such holder would beneficially own more than 4.99% (or 9.99%, at the election of the holder) of the outstanding shares of Common Stock immediately after exercise, except that upon at least 61 days’ prior notice from the holder to the Company, such holder may increase the amount of beneficial ownership of outstanding shares after exercising such holder’s Warrants up to 9.99% of the number of the Company’s shares of Common Stock outstanding immediately after giving effect to the exercise.

The Company has agreed to file a registration statement to register the shares of Common Stock underlying the Warrants (the “Warrant Shares”) within 90 days following the issuance of the Warrants, and to use its reasonable best efforts to cause such additional registration statement to be declared effective by the Securities and Exchange Commission (the “SEC”) within 120 days following such issuance date (the “Effectiveness Deadline”).

If Warrants may be exercised on a cashless basis after the Effectiveness Deadline if, at the time of exercise, the resale of the Warrant Shares is not covered by an effective registration statement (or the prospectus contained therein is not available for use). The Warrants may not be exercised on a cashless basis any time prior to the Effectiveness Deadline or at any time at which the resale of the Warrant Shares is covered by an effective registration statement.

The offer and sale of the Warrants and the Warrant Shares was made pursuant to the exemption from registration provided by Section 4(a)(2) of the Securities Act of 1933, as amended (the “Securities Act”), and Rule 506(b) of Regulation D promulgated thereunder. Such offer and sale was made only to “accredited investors” under Rule 501 of Regulation D promulgated under the Securities Act, and without any form of general solicitation and with full access to any information requested by such investors regarding the Company or the securities offered.

This report does not constitute an offer to sell or the solicitation of an offer to buy the securities in the described offering, nor shall there be any offer, solicitation or sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.

The foregoing descriptions of the Warrants, the May Consulting Agreements and the Bristol Consulting Agreement are not complete and are qualified in their entirety by reference to the full text of such documents, which are filed as Exhibits 4.1, 10.1 and 10.2, respectively, to this Current Report on Form 8-K and are incorporated herein by reference.

NUVVE HOLDING CORP.

Warrant to Purchase Shares of Common Stock

Warrant Shares: [●] Issue Date: May 7, 2025

Warrant No.: [\_\_]

This WARRANT TO PURCHASE SHARES OF COMMON STOCK (the “Warrant”) certifies that, for value received, [\_\_\_\_\_] or its assigns (the “Holder”) is entitled, upon the terms and subject to the limitations on exercise and the conditions hereinafter set forth, at any time on or after the Issue Date (the “Initial Exercise Date”) and on or prior to 5:00 p.m. (New York City time) on [●], 2030<sup>1</sup> (the “Termination Date”) but not thereafter, to subscribe for and purchase from Nuvve Holding Corp., a Delaware corporation (the “Company”), up to [\_\_\_\_\_] shares (as subject to adjustment hereunder, the “Warrant Shares”) of Common Stock. The purchase price of one share of Common Stock under this Warrant shall be equal to the Exercise Price, as defined in Section 2(b).

Section 1. Definitions. Capitalized terms used and not otherwise defined herein shall have the meanings set forth in that certain Consulting Agreement (the “Consulting Agreement”), dated May 7, 2025, between the Company and Holder. This Warrant is one of the Warrants to Purchase Shares of Common Stock (the “Consulting Warrants”) issued pursuant to that certain Consulting Agreement, dated as of May [●], 2025, by and among the Company and the Holder referred to therein, as amended from time to time (the “Consulting Agreement”).

Section 2. Exercise.

a) Exercise of Warrant. Exercise of the purchase rights represented by this Warrant may be made, in whole or in part, at any time or times on or after the Initial Exercise Date and on or before the Termination Date by delivery to the Company of a duly executed facsimile copy or PDF copy submitted by email (or e-mail attachment) of the Notice of Exercise in the form annexed hereto (the “Notice of Exercise”). Within the earlier of (i) two (2) Trading Days and (ii) the number of Trading Days comprising the Standard Settlement Period (as defined in Section 2(d)(i) herein) following the date of exercise as aforesaid, the Holder shall deliver the aggregate

<sup>1</sup> Insert the 5-year anniversary date of the issuance date.

Exercise Price for the shares specified in the applicable Notice of Exercise by wire transfer or cashier's check drawn on a United States bank unless the cashless exercise procedure specified in Section 2(c) below is specified in the applicable Notice of Exercise. No ink-original Notice of Exercise shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Exercise be required. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company until the Holder has purchased all of the Warrant Shares available hereunder and the Warrant has been exercised in full, in which case, the Holder shall surrender this Warrant to the Company for cancellation within three (3) Trading Days of the date on which the final Notice of Exercise is delivered to the Company. Partial exercises of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder shall have the effect of lowering the outstanding number of Warrant Shares purchasable hereunder in an amount equal to the applicable number of Warrant Shares purchased. The Holder and the Company shall maintain records showing the number of Warrant Shares purchased and the date of such purchases. The Company shall deliver any objection to any Notice of Exercise within one (1) Business Day of receipt of such notice. **The Holder and any assignee, by acceptance of this Warrant, acknowledge and agree that, by reason of the provisions of this paragraph, following the purchase of a portion of the Warrant Shares hereunder, the number of Warrant Shares available for purchase hereunder at any given time may be less than the amount stated on the face hereof.**

b) Exercise Price. The exercise price per share of Common Stock under this Warrant shall be \$[●]<sup>2</sup>, subject to adjustment hereunder (the "Exercise Price").

c) Cashless Exercise. Notwithstanding anything contained herein to the contrary (other than in Sections 2(e) and 2(f) below), commencing as of the first (1<sup>st</sup>) Trading Day after the Effectiveness Deadline (as defined below), if, and only if, at the time of exercise hereof, there is no effective registration statement, or the prospectus contained therein is not available for use, registering for resale by the Holder of all of the Warrant Shares, then the Holder may, in its sole discretion, exercise this Warrant in whole or in part, in lieu of making the cash payment otherwise contemplated to be made to the Company upon such exercise in payment of the Exercise Price, elect instead to receive upon such exercise the "Net Number" of Warrant Shares determined according to the following formula (a "Cashless Exercise"):

$$\text{Net Number} = \frac{(A \times B) - (A \times C)}{B}$$

For purposes of the foregoing formula:

A = the number of Warrant Shares that would be issuable upon exercise of this Warrant in accordance with the terms of this Warrant if such exercise were by means of a cash exercise rather than a Cashless Exercise.

B = as applicable: (i) the VWAP on the Trading Day immediately preceding the date of the applicable Notice of Exercise if such Notice of Exercise is (1) both executed and delivered pursuant to Section 2(a) hereof on a day that is not a Trading Day or (2) both executed and delivered pursuant to Section 2(a) hereof on a Trading Day prior to the opening of "regular trading hours" (as defined in

<sup>2</sup> NTD: shall be \$1.05, \$1.25 and \$1.50 for each tranche, respectively.

Rule 600(b)(68) of Regulation NMS promulgated under the federal securities laws) on such Trading Day, (ii) at the option of the Holder, either (y) the VWAP on the Trading Day immediately preceding the date of the applicable Notice of Exercise or (z) the Bid Price of the Common Stock on the principal Trading Market (as defined below) as reported by Bloomberg L.P. (“Bloomberg”) as of the time of the Holder’s execution of the applicable Notice of Exercise if such Notice of Exercise is executed during “regular trading hours” on a Trading Day and is delivered within two (2) hours thereafter (including until two (2) hours after the close of “regular trading hours” on a Trading Day) pursuant to Section 2(a) hereof or (iii) the VWAP on the date of the applicable Notice of Exercise if the date of such Notice of Exercise is a Trading Day and such Notice of Exercise is both executed and delivered pursuant to Section 2(a) hereof after the close of “regular trading hours” on such Trading Day.

C = the Exercise Price of this Warrant, as adjusted hereunder.

“VWAP” means, for any date, the price determined by the first of the following clauses that applies: (a) if the Common Stock are then listed or quoted on The New York Stock Exchange, the NYSE American or any tier of The Nasdaq Stock Market (each, a “Trading Market”), the daily volume weighted average price of the Common Stock for such date (or the nearest preceding date) on the Trading Market on which the Common Stock are then listed or quoted as reported by Bloomberg (based on a trading day from 9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (b) if the Common Stock are listed or quoted on the OTCQB or OTCQX (each as operated by OTC Markets Group, Inc., or any successor market), the volume weighted average price of the Common Stock for such date (or the nearest preceding date) on OTCQB or OTCQX as applicable, (c) if the Common Stock are not then listed or quoted for trading on the OTCQB or OTCQX Markets and if prices for the Common Stock are then reported in the OTC Pink Market published by OTC Markets Group Inc. (or a similar organization or agency succeeding to its functions of reporting prices), the most recent bid price per share of the Common Stock so reported, or (d) in all other cases, the fair market value of a Common Stock as determined by an independent appraiser selected in good faith by the Board of Directors of the Company and reasonably acceptable to the Holder, the fees and expenses of which shall be paid by the Company.

If Warrant Shares are issued in such a Cashless Exercise, the parties acknowledge and agree that in accordance with Section 3(a) (9) of the Securities Act, the Warrant Shares shall take on the registered characteristics of the Warrants being exercised, and the holding period of the Warrant Shares issued upon a Cashless Exercise may be tacked onto the holding period of the Warrant. The Company agrees not to take any position contrary to this Section 2(c).

For purposes of clarity, notwithstanding anything to the contrary contained herein, the Warrant may not be exercised pursuant to a Cashless Exercise at any time on or prior to the Effectiveness Deadline. Further, notwithstanding anything to the contrary contained herein, the Warrant may not be exercised pursuant to a Cashless Exercise at any time during which there is an effective registration statement registering the resale by the Holder of the Warrant Shares.

d) Mechanics of Exercise.

- i. Delivery of Warrant Shares Upon Exercise. The Company shall cause the Warrant Shares purchased hereunder to be transmitted by the Transfer Agent to the Holder by crediting the account of the Holder's or its designee's balance account with The Depository Trust Company through its Deposit or Withdrawal at Custodian system ("DWAC") if the Company is then a participant in such system and either (A) there is an effective registration statement permitting the issuance of the Warrant Shares to or resale of the Warrant Shares by Holder or (B) the Warrant Shares are eligible for resale by the Holder without volume or manner-of-sale limitations pursuant to Rule 144, and otherwise by physical delivery of a certificate, registered in the Company's share register in the name of the Holder or its designee, for the number of Warrant Shares to which the Holder is entitled pursuant to such exercise to the address specified by the Holder in the Notice of Exercise by the date that is the earliest of (i) two (2) Trading Days after the delivery to the Company by the Holder of the Notice of Exercise, (ii) one (1) Trading Day after delivery of the aggregate Exercise Price to the Company and (iii) the number of Trading Days comprising the Standard Settlement Period after the delivery to the Company of the Notice of Exercise (such date, the "Warrant Share Delivery Date"). Notwithstanding the foregoing, the Company shall not be required to cause the applicable Warrant Shares to be transmitted or a certificate or book-entry statement to be physically delivered unless and until the aggregate Exercise Price is received by the Company (other than in the case of a Cashless Exercise). Upon delivery of the Notice of Exercise, the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant Shares with respect to which this Warrant has been exercised, irrespective of the date of delivery of the Warrant Shares, provided that payment of the aggregate Exercise Price (other than in the case of a Cashless Exercise) is received within the earlier of (i) two (2) Trading Days and (ii) the number of Trading Days comprising the Standard Settlement Period following delivery of the Notice of Exercise. If the Company fails for any reason to deliver to the Holder the Warrant Shares subject to a Notice of Exercise by the Warrant Share Delivery Date, other than the Company's failure to receive the aggregate Exercise Price, other than in the case of a Cashless Exercise or any delays caused by the Transfer Agent, the Company shall pay to the Holder, in cash, as liquidated damages and not as a penalty, for each \$1,000 of Warrant Shares subject to such exercise (based on the VWAP of the Common Stock on the date of the applicable Notice of Exercise), \$10 per Trading Day (increasing to \$20 per Trading Day on the fifth Trading Day after such liquidated damages begin to accrue) for each Trading Day after such Warrant Share Delivery Date until such Warrant Shares are delivered or Holder rescinds such exercise. The Company agrees to maintain a transfer agent that is a participant in the FAST program so long as this Warrant remains outstanding and exercisable. As used herein, "Standard Settlement Period" means the standard settlement period, expressed in a number of Trading Days, on the Company's primary Trading Market with respect to the Common Stock as in effect on the date of delivery of the Notice of Exercise.
- ii. Delivery of New Warrants Upon Exercise. If this Warrant shall have been exercised in part, the Company shall, at the request of a Holder and upon surrender of this Warrant certificate, at the time of delivery of the Warrant Shares, deliver to the Holder a new Warrant evidencing the rights of the Holder

to purchase the unpurchased Warrant Shares called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant.

iii. Rescission Rights. If the Company fails to cause the Transfer Agent to transmit to the Holder the Warrant Shares pursuant to Section 2(d)(i) by the Warrant Share Delivery Date, then the Holder will have the right to rescind such exercise; provided, however, that the Holder shall be required to return any Warrant Shares or Common Stock subject to any such rescinded exercise notice concurrently with the return to the Holder of the aggregate Exercise Price paid to the Company for such Warrant Shares and the restoration of the Holder's right to acquire such Warrant Shares pursuant to this Warrant (including, issuance of a replacement warrant certificate evidencing such restored right).

iv. No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Warrant. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such exercise, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price or round up to the next whole share.

v. Charges, Taxes and Expenses. Issuance of Warrant Shares shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of such Warrant Shares, all of which taxes and expenses shall be paid by the Company, and such Warrant Shares shall be issued in the name of the Holder or in such name or names as may be directed by the Holder; provided, however, that in the event that Warrant Shares are to be issued in a name other than the name of the Holder, this Warrant when surrendered for exercise shall be accompanied by the Assignment Form attached hereto duly executed by the Holder and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all Transfer Agent fees required for same-day processing of any Notice of Exercise and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic delivery of the Warrant Shares.

vi. Closing of Books. The Company will not close its stockholder books or records in any manner which prevents the timely exercise of this Warrant, pursuant to the terms hereof.

e) Holder's Exercise Limitations. The Company shall not effect any exercise of this Warrant, and a Holder shall not have the right to exercise any portion of this Warrant, pursuant to Section 2 or otherwise, to the extent that after giving effect to such issuance after exercise as set forth on the applicable Notice of Exercise, the Holder (together with the Holder's Affiliates, and any other Persons acting as a group together with the Holder or any of the Holder's Affiliates (such Persons, "Attribution Parties")), would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by the Holder and its Affiliates and Attribution Parties shall include the number of shares of Common Stock issuable upon exercise of this Warrant with respect to which such determination is being made, but shall exclude the number of

shares of Common Stock which would be issuable upon (i) exercise of the remaining, nonexercised portion of this Warrant beneficially owned by the Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or nonconverted portion of any other securities of the Company (including, without limitation, any other Common Stock Equivalents) subject to a limitation on conversion or exercise analogous to the limitation contained herein beneficially owned by the Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 2(e), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith. To the extent that the limitation contained in this Section 2(e) applies, the determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Warrant is exercisable shall be in the sole discretion of the Holder, and the submission of a Notice of Exercise shall be deemed to be the Holder's determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Warrant is exercisable, in each case subject to the Beneficial Ownership Limitation, and the Company shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 2(e), in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as reflected in (A) the Company's most recent periodic or annual report filed with the Securities and Exchange Commission (the "Commission"), as the case may be, (B) a more recent public announcement by the Company or (C) a more recent written notice by the Company or the Transfer Agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request of a Holder, the Company shall within one Trading Day confirm orally and in writing to the Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Company, including this Warrant, by the Holder or its Affiliates or Attribution Parties since the date as of which such number of outstanding shares of Common Stock was reported. The "Beneficial Ownership Limitation" shall be 4.99% (or, upon election by a Holder prior to the issuance of any Warrants, 9.99%) of the number of shares of Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon exercise of this Warrant. The Holder, upon notice to the Company, may increase or decrease the Beneficial Ownership Limitation provisions of this Section 2(e), provided that the Beneficial Ownership Limitation in no event exceeds 9.99% of the number of shares of Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon exercise of this Warrant held by the Holder and the provisions of this Section 2(e) shall continue to apply. Any increase in the Beneficial Ownership Limitation will not be effective until the 61st day after such notice is delivered to the Company. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 2(e) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this paragraph shall apply to a successor holder of this Warrant.

f) Trading Market Regulation. The Company shall not issue any shares of Common Stock upon the exercise of this Warrant if the issuance of such shares of Common Stock would exceed the aggregate number of shares of Common Stock which the Company may issue upon exercise or conversion or otherwise pursuant to the terms of the Consulting Warrants without breaching the Company's obligations under the rules or regulations of the Trading Market (the number of shares which may be issued without violating such rules and regulations, the "Exchange Cap"), except that such limitation shall not apply in the event that the Company (A) obtains the approval of its stockholders as required by the applicable rules of the Trading Market for issuances of shares of Common Stock in excess of the Exchange Cap (the "Shareholder Approval") or (B) obtains a written opinion from outside counsel to the Company that such approval is not required, which opinion shall be reasonably satisfactory to the Holder. The Company agrees to seek to obtain the Shareholder Approval in connection with its Annual Meeting of Stockholders to be held in 2025.

### Section 3. Certain Adjustments.

a) Stock Dividends and Splits. If the Company, at any time while this Warrant is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions on shares of its Common Stock or any other equity or equity equivalent securities payable in shares of Common Stock (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company upon exercise of this Warrant), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of reverse stock split) outstanding shares of Common Stock into a smaller number of shares, or (iv) issues by reclassification of shares of Common Stock any shares of capital stock of the Company, then in each case the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding treasury shares, if any) outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event, and the number of shares issuable upon exercise of this Warrant shall be proportionately adjusted such that the aggregate Exercise Price of this Warrant shall remain unchanged. Any adjustment made pursuant to this Section 3(a) shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification. For the purposes of clarification, the Exercise Price of this Warrant will not be adjusted in the event that the Company or any subsidiary thereof, as applicable, sells or grants any option to purchase, or sell or any grant any right to reprice, or otherwise dispose of or issue (or announce any offer, sale, grant or any option to purchase or other disposition) any Common Stock or Common Stock Equivalents, at an effective price per share less than the Exercise Price then in effect.

b) Fundamental Transaction. In case of any reclassification of the Common Stock (other than in a transaction to which Section 3(a) applies), any consolidation of the Company with, or merger of the Company into, any other entity, any merger of another entity into the Company (other than a merger that does not result in any reclassification, conversion, exchange or cancellation of outstanding Common Shares of the Company), then lawful provision shall be made as part of the terms of such transaction whereby the Holder of this Warrant then outstanding shall have the right thereafter, during the period this Warrant shall be exercisable, to exercise this Warrant only for the kind and amount of securities, cash and other property receivable upon the

reclassification, consolidation, merger, sale, transfer or share exchange by a holder of the number of Common Shares of the Company into which this Warrant might have been able to exercise for immediately prior to the reclassification, consolidation, merger, sale, transfer or share exchange assuming that such holder of Common Shares failed to exercise rights of election, if any, as to the kind or amount of securities, cash or other property receivable upon consummation of such transaction subject to adjustment as provided in Section 3(a) above following the date of consummation of such transaction. The provisions of this Section 3(b) shall similarly apply to successive reclassifications, consolidations, mergers, sales, transfers or share exchanges.

c) Calculations. All calculations under this Section 3 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 3, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding treasury shares, if any) issued and outstanding.

d) Notice to Holder.

i. Adjustment to Exercise Price. Whenever the Exercise Price is adjusted pursuant to any provision of this Section 3, the Company shall promptly deliver to the Holder by facsimile or email a notice setting forth the Exercise Price after such adjustment and any resulting adjustment to the number of Warrant Shares and setting forth a brief statement of the facts requiring such adjustment.

ii. Notice to Allow Exercise by Holder. If (A) the Company shall declare a dividend (or any other distribution in whatever form) on the Common Stock, (B) the Company shall declare a special nonrecurring cash dividend on or a redemption of the Common Stock, (C) the Company shall authorize the granting to all holders of the Common Stock rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any rights, (D) the approval of any stockholders of the Company shall be required in connection with any reclassification of the Common Stock, any consolidation or merger to which the Company (and all of its Subsidiaries, taken as a whole) is a party, any sale or transfer of all or substantially all of the assets of the Company, or any compulsory share exchange whereby the Common Stock is converted into other securities, cash or property, or (E) the Company shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company, then, in each case, the Company shall cause to be delivered by facsimile or email to the Holder at its last facsimile number or email address as it shall appear upon the Warrant Register of the Company, at least 20 calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Common Stock of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Common Stock of record shall be entitled to exchange their shares of Common Stock for securities, cash or other property

deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange; provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice. To the extent that any notice provided in this Warrant constitutes, or contains, as reasonably determined by the Company, material, non-public information regarding the Company or any of the Subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Current Report on Form 8-K. The Holder shall remain entitled to exercise this Warrant during the period commencing on the date of such notice to the effective date of the event triggering such notice except as may otherwise be expressly set forth herein. Notwithstanding the foregoing, no notice need be given to the Holder if the Company makes a public announcement of the applicable event via nationally distributed press release or via a publicly available and legally compliant filing with the Commission.

#### Section 4. Transfer of Warrant.

a) Transferability. Subject to compliance with any applicable securities laws and the conditions set forth in Section 4(d), this Warrant and all rights hereunder are transferable, in whole or in part, upon surrender of this Warrant at the principal office of the Company or its designated agent, together with a written assignment of this Warrant substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the Company shall execute and deliver a new Warrant or Warrants in the name of the assignee or assignees, as applicable, and in the denomination or denominations specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, and this Warrant shall promptly be cancelled. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company unless the Holder has assigned this Warrant in full, in which case, the Holder shall surrender this Warrant to the Company within three (3) Trading Days of the date on which the Holder delivers an assignment form to the Company assigning this Warrant in full. This Warrant, if properly assigned in accordance herewith, may be exercised by a new holder for the purchase of Warrant Shares without having a new Warrant issued.

b) New Warrants. This Warrant may be divided or combined with other Warrants upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 4(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new Warrant or Warrants in exchange for the Warrant or Warrants to be divided or combined in accordance with such notice. All Warrants issued on transfers or exchanges shall be dated the initial issuance date of this Warrant and shall be identical with this Warrant except as to the number of Warrant Shares issuable pursuant thereto.

c) Warrant Register. The Company shall register this Warrant, upon records to be maintained by or on behalf of the Company for that purpose (the "Warrant Register"), in the

name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

d) Representation by Holder. The Holder, by the acceptance hereof, represents and warrants that it is acquiring this Warrant and, upon any exercise hereof, will acquire the Warrant Shares issuable upon such exercise, for its own account and not with a view to or for distributing or reselling such Warrant Shares or any part thereof in violation of the Securities Act or any applicable state securities law, except pursuant to sales registered or exempted under the Securities Act.

#### Section 5. Registration Rights.

a) On or prior to [•]<sup>3</sup>, 2025 (the “Filing Date”), the Company shall prepare and file with the Commission a registration statement (the “Registration Statement”) covering the resale of all of the Warrant Shares that are not then registered on an effective registration statement for an offering to be made on a continuous basis pursuant to Rule 415. The Registration Statement shall be filed on Form S-1 or Form S-3 (as applicable, depending on if the Company is then eligible to register for resale the Registrable Securities on Form S-3). Subject to the terms of this Warrant, the Company shall use its reasonable best efforts to cause the Registration Statement to be declared effective under the Securities Act as promptly as possible after the filing thereof, but in any event no later than [•]<sup>4</sup>, 2025 (the “Effectiveness Deadline”), and shall use its reasonable best efforts to keep such Registration Statement continuously effective under the Securities Act until the date that all Registrable Securities covered by such Registration Statement have been sold, thereunder or pursuant to Rule 144 (the “Effectiveness Period”). The Company shall telephonically request effectiveness of a Registration Statement as of 5:00 p.m. (New York City time) on a Trading Day. The Company shall promptly notify the Holder via facsimile or by e-mail of the effectiveness of a Registration Statement on the same Trading Day that the Company telephonically confirms effectiveness with the Commission, which shall be the date requested for effectiveness of such Registration Statement. The Company shall, by 9:30 a.m. (New York City time) on the Trading Day after the effective date of such Registration Statement, file a final Prospectus with the Commission as required by Rule 424.

b) Notwithstanding the foregoing, the registration rights described in this Section 5 shall be subject to limitations imposed by the Commission’s rules or comments of the Commission staff in connection with its review of the Registration Statement for any such resale registration. Moreover, notwithstanding the foregoing registration obligations of the Company, if the Company furnishes to the Holder a certificate signed by the Company’s chief executive officer stating that in the good faith judgment of the Company’s Board of Directors it would be materially detrimental to the Company and its stockholders for a registration statement to either become effective or remain effective for as long as such registration statement otherwise would be required to remain effective, because such action would (i) materially interfere with a significant acquisition, corporate reorganization, or other similar transaction involving the Company; (ii) require premature disclosure of material information that the Company has a bona fide business purpose for preserving as confidential; or (iii) render the Company unable to

<sup>4</sup> NTD: insert date that is 120 days from issuance date

comply with requirements under the Securities Act or Exchange Act, then the Company shall have the right to defer taking action with respect to such Demand Registration or withdraw a related registration statement for a period of not more than forty-five (45) calendar days; provided, however, that the Company may not invoke this right more than twice in any twelve (12) month period or during the twelve (12) month period.

Section 6. Miscellaneous.

a) No Rights as Stockholder Until Exercise; No Settlement in Cash. This Warrant does not entitle the Holder to any voting rights, dividends or other rights as a stockholder of the Company prior to the exercise hereof as set forth in Section 2(d)(i), except as expressly set forth in Section 3. Without limiting any rights of a Holder to receive Warrant Shares on a “Cashless Exercise” pursuant to Section 2(c), in no event shall the Company be required to net cash settle an exercise of this Warrant.

b) Loss, Theft, Destruction or Mutilation of Warrant. The Company covenants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant or any stock certificate relating to the Warrant Shares, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which, in the case of the Warrant, shall not include the posting of any bond), and upon surrender and cancellation of such Warrant or stock certificate, if mutilated, the Company will make and deliver a new Warrant or stock certificate of like tenor and dated as of such cancellation, in lieu of such Warrant or stock certificate.

c) Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then, such action may be taken or such right may be exercised on the next succeeding Business Day.

d) Authorized Shares.

i. The Company covenants that, during the period the Warrant is outstanding, it will reserve from its authorized and unissued Common Stock a sufficient number of shares to provide for the issuance of the Warrant Shares upon the exercise of any purchase rights under this Warrant. The Company further covenants that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of issuing the necessary Warrant Shares upon the exercise of the purchase rights under this Warrant. The Company will take all such reasonable action as may be necessary to assure that such Warrant Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Trading Market upon which the Common Stock may be listed. The Company covenants that all Warrant Shares which may be issued upon the exercise of the purchase rights represented by this Warrant will, upon exercise of the purchase rights represented by this Warrant and payment for such Warrant Shares in accordance herewith, be duly authorized, validly issued, fully paid and nonassessable and free from all taxes, liens and charges created by the Company in respect of the issue thereof (other than taxes in respect of any transfer occurring contemporaneously with such issue).

ii. Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder as set forth in this Warrant against impairment. Without limiting the generality of the foregoing, the Company will (i) not increase the par value of any Warrant Shares above the amount payable therefor upon such exercise immediately prior to such increase in par value, (ii) take all such reasonable action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares upon the exercise of this Warrant and (iii) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof, as may be, necessary to enable the Company to perform its obligations under this Warrant.

iii. Before taking any action which would result in an adjustment in the number of Warrant Shares for which this Warrant is exercisable or in the Exercise Price, the Company shall obtain all such authorizations or exemptions thereof, or consents thereto, as may be necessary from any public regulatory body or bodies having jurisdiction thereof.

e) Governing Law; Venue. This Warrant shall be deemed to have been executed and delivered in New York and both this Warrant and the transactions contemplated hereby shall be governed as to validity, interpretation, construction, effect, and in all other respects by the laws of the State of New York applicable to agreements wholly performed within the borders of such state and without regard to the conflicts of laws principals thereof (other than Section 5-1401 of The New York General Obligations Law). Each of the Holder and the Company: (a) agrees that any legal suit, action or proceeding arising out of or relating to this Warrant and/or the transactions contemplated hereby shall be instituted exclusively in the Supreme Court of the State of New York, New York County, or in the United States District Court for the Southern District of New York, (b) waives any objection which it may have or hereafter to the venue of any such suit, action or proceeding, and (c) irrevocably consents to the jurisdiction of Supreme Court of the State of New York, New York County, or in the United States District Court for the Southern District of New York in any such suit, action or proceeding. Each of the Holder and the Company further agrees to accept and acknowledge service of any and all process which may be served in any such suit, action or proceeding in the Supreme Court of the State of New York, New York County, or in the United States District Court for the Southern District of New York and agrees that service of process upon the Company mailed by certified mail to the Company's address or delivered by Federal Express via overnight delivery shall be deemed in every respect effective service of process upon the Company, in any such suit, action or proceeding, and service of process upon the Holder mailed by certified mail to the Holder's address or delivered by Federal Express via overnight delivery shall be deemed in every respect effective service process upon the Holder, in any such suit, action or proceeding. THE HOLDER (ON BEHALF OF ITSELF, ITS SUBSIDIARIES AND, TO THE FULLEST EXTENT PERMITTED BY LAW, ON BEHALF OF ITS RESPECTIVE EQUITY HOLDERS AND CREDITORS) HEREBY WAIVES ANY RIGHT HOLDER MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY CLAIM

BASED UPON, ARISING OUT OF OR IN CONNECTION WITH THIS WARRANT AND THE TRANSACTIONS CONTEMPLATED BY THIS WARRANT.

f) Restrictions. The Holder acknowledges that the Warrant Shares acquired upon the exercise of this Warrant, if not registered, and the Holder does not utilize cashless exercise, will have restrictions upon resale imposed by state and federal securities laws.

g) Nonwaiver and Expenses. No course of dealing or any delay or failure to exercise any right hereunder on the part of Holder shall operate as a waiver of such right or otherwise prejudice the Holder's rights, powers or remedies. Without limiting any other provision of this Warrant, if the Company willfully and knowingly fails to comply with any provision of this Warrant, which results in any material damages to the Holder, the Company shall pay to the Holder such amounts as shall be sufficient to cover any costs and expenses including, but not limited to, reasonable attorneys' fees, including those of appellate proceedings, incurred by the Holder in collecting any amounts due pursuant hereto or in otherwise enforcing any of its rights, powers or remedies hereunder.

h) Notices. Any and all notices or other communications or deliveries to be provided hereunder shall be made in accordance with the Consulting Agreement.

i) Limitation of Liability. No provision hereof, in the absence of any affirmative action by the Holder to exercise this Warrant to purchase Warrant Shares, and no enumeration herein of the rights or privileges of the Holder, shall give rise to any liability of the Holder for the purchase price of any Common Stock or as a stockholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

j) Remedies. The Holder, in addition to being entitled to exercise all rights granted by law, including to seek recovery of damages, will be entitled to seek specific performance of its rights under this Warrant. The Company agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Warrant and hereby agrees to waive and not to assert the defense in any action for specific performance that a remedy at law would be adequate.

k) Successors and Assigns. Subject to applicable securities laws, this Warrant and the rights and obligations evidenced hereby shall inure to the benefit of and be binding upon the successors and permitted assigns of the Company and the successors and permitted assigns of Holder. The provisions of this Warrant are intended to be for the benefit of any Holder from time to time of this Warrant and shall be enforceable by the Holder or holder of Warrant Shares.

l) Amendment. This Warrant may be modified or amended or the provisions hereof waived with the written consent of the Company, on the one hand, and the Holder of this Warrant, on the other hand.

m) Severability. Wherever possible, each provision of this Warrant shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Warrant shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provisions or the remaining provisions of this Warrant.

n) Headings. The headings used in this Warrant are for the convenience of reference only and shall not, for any purpose, be deemed a part of this Warrant.

WHEREAS, the Company and the Consultant desire to enter into this Agreement, pursuant to which the Consultant will provide consulting services to the Company, subject to the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the mutual covenants and obligations contained herein, the Company and the Consultant, intending to be legally bound, hereby agree as follows:

### **A. Engagement**

The Consultant shall provide the Services defined below in Section C herein for the Company (the “*Engagement*”). In this capacity, the Service Provider agrees to devote its best efforts, energy and skill to the full discharge of its duties and responsibilities.

### **B. Term**

1. Term. Services under this Agreement shall commence on the Effective Date and shall continue through the one-year anniversary of the Effective Date, unless earlier terminated pursuant to Section B(2) hereof or upon the mutual written consent of the Parties (the “*Term*”). The term of this Agreement shall be extended for additional terms upon mutual written consent.

1. Termination. The Consultant or the Company may terminate this Agreement, effective immediately upon written notice to the other party to this Agreement, if the other party materially breaches this Agreement , and such breach is incapable of cure, or with respect to a material breach capable of cure, the other party does not cure such breach within 10 calendar days after receipt of written notice of such breach. For purposes of clarity, a material breach shall include, without limitation, the Consultant’s failure to provide the services contemplated hereunder on a timely and reasonably satisfactory basis.

### **C. Services to be Performed**

During the Term of this Agreement, the Consultant shall assist the Company in general corporate activities including but not limited to crypto portfolio management, investor relations, strategic planning, deal flow analysis, introductions to further its business goals; advice related to

The Services rendered pursuant to this Agreement shall be rendered to the Chief Executive Officer or the Board of Directors of the Company.

#### **D. Compensation for Services**

1. Fees for Services. In consideration for the Services rendered by the Consultant and the Consultant’s other obligation under this Agreement, the Company shall issue to the Consultant on the Effective Date warrants to purchase shares of common stock, par value \$0.0001 per share, of the Company (“**Common Stock**”), in the amounts as set forth on **Exhibit A** attached hereto (the “**Consulting Fee**”) and in the form attached hereto as **Exhibit B** (the “**Warrants**”). The Company shall provide a PDF copy of the executed Warrants upon execution of this Agreement. The Warrants constitute a commencement incentive and consideration now earned, for entering into this Agreement and allocating its resources to Company’s account for the Term. Company acknowledges that Consultant must forego other opportunities to enter into this Agreement. As such, the Warrants are irrevocably earned as of the Effective Date, and any calculation of the statutory holding period for removal of restrictive legend under Rule 144 promulgated under the Securities Act of 1933, shall be measured from the Effective Date. The Company agrees that it shall take no action to cause the Warrants to become canceled, voided or revoked, or the issuance thereof to be voided or terminated. Assuming the Consultant has complied with the provisions and requirements of Rule 144 of the Securities Act, the Company agrees to assist the Consultant to remove the restrictive legend from the shares of Common Stock underlying the Warrants (the “**Warrant Shares**”), including, without limitation, (i) authorizing the Company’s transfer agent to remove the restrictive legend, (ii) obtaining a legal opinion from Company’s authorized counsel at Company’s expense, and (iii) cooperating and communicating with Consultant, its broker and the transfer agent in order to clear the Warrant Shares of restriction as soon as possible, in each case as further set forth in the Warrants.

2. Entire Compensation. The Consultant acknowledges that the foregoing provisions of this Section D constitute the sole and entire compensation and reimbursements payable to it for the Engagement and the provision of the Services of the Consultant, and the Parties specifically agree that no compensation, benefits or other reimbursements of any other nature shall be paid or payable to the Consultant as a result of the provision of Services hereunder.

#### **E. Indemnification**

3. The Consultant shall not be liable to the Company or their subsidiaries or affiliates for any loss, liability, damage or expense (collectively, a “**Loss**”) arising out of or in connection with the performance of services contemplated by this Agreement, unless such Loss shall be proven to result directly from gross negligence, willful misconduct or bad faith on the part of the Consultant. Consultant makes no representations or warranties, express or implied, in respect of the Services to be provided hereunder. In no event will any of the parties hereto be liable to any other party hereto for any indirect, special, incidental or consequential damages, including lost profits or savings, whether or not such damages are foreseeable, or in respect of any liabilities relating to any third party claims (whether based in contract, tort or otherwise) other than for the Claims (as defined below) relating to the Services which may be provided by Consultant hereunder. The Company and its subsidiaries shall defend, indemnify and hold harmless Consultant from and against any and all Losses arising from any claim by any person with respect to, or in any way related to, this Agreement (including attorneys’ fees) (collectively, “**Claims**”) resulting from any act or omission of either of the Company other than for Claims which shall be proven to be the direct result of gross negligence, bad faith or willful misconduct by the Consultant. The Company and its subsidiaries shall defend at its own cost and expense

any and all suits or actions (just or unjust) which may be brought against the Company or its subsidiaries and the Consultant or in which the Consultant may be included with others upon any Claims, or upon any matter, directly or indirectly, related to or arising out of this Agreement or the performance hereof by the Consultant, except that if such damage shall be proven to be the direct result of gross negligence, bad faith or willful misconduct by the Consultant then the Consultant shall reimburse the Company and their subsidiaries for the reasonable costs of defense and other costs incurred by the Company and its subsidiaries (including any losses as a result of such actions).

4. The Parties further agree that they shall not, without the prior written consent of the other Party, settle, compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which defense and/or indemnification may be sought hereunder unless such settlement, compromise or consent includes an unconditional release of the Party seeking defense and/or indemnity from all liability arising out of such claim, action, suit or proceeding.

5. The Party seeking defense or indemnification hereunder shall: (i) promptly notify the other Party of the matter for which defense or indemnification is sought; (ii) subject to the immediately preceding sentence of this paragraph, provide the other Party with sole control over the defense and/or settlement thereof, including but not limited to the selection of counsel; and (iii) at the request of the Party providing defense and/or indemnification, fully cooperate in the provision of full and complete information and reasonable assistance with respect to the defense of such matter.

#### **F. Survival**

The obligations of the Parties pursuant to Sections E shall survive the Termination of this Agreement, regardless of the reason for such Termination, along with any and all other provisions that expressly provide for survival of Termination.

#### **G. Relationship of the Parties; Independent Contractor Status**

The Parties agree that the relationship created by this Engagement is one of an independent contractor. The Consultant is responsible for all taxes, if any, imposed on it in connection with its performance of Services under this Agreement, including any federal, state and local income, sales, use, excise and other taxes or assessments thereon.

**I. Entire Agreement; Amendments**

This Agreement contains the entire understanding between the Parties with respect to its subject matter and supersedes all previous negotiations, agreements or understandings between the Parties, whether written or verbal. This Agreement may not be amended or modified, except in writing, executed by duly authorized representatives of the Parties hereto.

**J. Counterparts**

This Agreement may be signed simultaneously in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same document.

**K. Governing Law; Consent to Jurisdiction and Venue**

This Agreement shall be governed by the internal laws of the State of Delaware without regard to choice of law principles. Any dispute regarding this Agreement shall be subject to the exclusive jurisdiction of the state and federal courts of the State of California located in the San Diego County, and of the United States District Court of the Southern District of California and the parties agree to submit to the personal jurisdiction and venue in these courts. **Each party waives the right to a trial by jury in any such dispute.** The prevailing or non-dismissing party in any such dispute shall be entitled to reimbursement of all reasonable expenses, including court costs and attorney fees incurred in good faith.

The term of this Agreement shall be extended for additional terms upon mutual written consent.

2. Termination. BC or the Company may terminate this Agreement, effective immediately upon written notice to the other party to this Agreement, if the other party materially breaches this Agreement, and such breach is incapable of cure, or with respect to a material breach capable of cure, the other party does not cure such breach within 10 calendar days after receipt of written notice of such breach. For purposes of clarity, a material breach shall include, without limitation, PLK’s and/or BC’s failure to provide the services contemplated hereunder on a timely and reasonably satisfactory basis.

**C. Services to be Performed**

During the Term of this Agreement, PLK shall assist the Company in general corporate activities including but not limited to strategic planning; deal flow analysis; introductions to further its business goals; advice related to sector growth initiatives; and any other consulting or advisory services which the Company reasonably requests that Consultant provide to the Company (the "Services"). The Services rendered pursuant to this Agreement shall be rendered to the Chief Executive Officer or the Board of Directors of the Company.

**D. Compensation for Services**

1. Fees for Services. In consideration for the Services rendered by PLK for BC and BC's other obligation under this Agreement, the Company shall issue to BC on the Effective Date a pre-funded warrant to purchase 600,000 shares of common stock of the Company (the "Warrant"), in the form attached as Exhibit A to this Agreement (the "Consulting Fee"). The Consulting Fee shall be deemed to be earned upon execution of this Agreement, provided, however, that, notwithstanding anything to the contrary herein, the Warrant shall vest and become exercisable as follows: (i) 50% of the aggregate shares of Common Stock underlying the Warrant shall vest and become exercisable as of the date hereof and (ii) the remaining shares underlying the Warrant shall vest and become exercisable upon the six month anniversary of the date hereof (the "Vesting Period"), and, provided, further, that any such unvested portion of the Consulting Fee shall not be deemed earned in the event this Agreement is terminated by the Company due to the material breach of PLK and/or BC as contemplated in Section B(2) hereof prior to end of such Vesting Period. The Company shall provide a PDF copy of the executed Warrant upon execution of this Agreement and an originally executed copy of the Warrant via Federal Express to be delivered to BC no later than 2 business days after the Effective Date of this Agreement. In the event that the Company files a registration statement during the time that the Warrant remains outstanding (the "Registration Statement"), or has an effective shelf registration statement (the "Shelf Registration"), the Company shall include the shares underlying the Warrant (the "Warrant Shares") in such Registration Statement or Shelf Registration and immediately notify BC and PLK that they have included the Warrant Shares in the Registration Statement or Shelf Registration. The Warrant constitutes a commencement incentive and consideration now earned, for entering into this Agreement and allocating its resources to Company's account for the Term. Company acknowledges that Consultant must forego other opportunities to enter into this Agreement. As such, the Warrant is irrevocably earned as of the Effective Date, and any calculation of the statutory holding period for removal of restrictive legend under Rule 144 promulgated under the Securities Act of 1933, shall be measured from the Effective Date. The Company agrees that it shall take no action to cause the Warrant to become canceled, voided or revoked, or the issuance thereof to be voided or terminated. Assuming the Consultant has complied with the provisions and requirements of Rule 144 of the Securities Act, the Company agrees to assist the Consultant to remove the restrictive legend from the Warrant Shares, including, without limitation, (i) authorizing the Company's transfer agent to remove the restrictive legend, (ii) obtaining a legal opinion from Company's authorized counsel at Company's expense, and (iii) cooperating and communicating with Consultant, its broker and the transfer agent in order to clear the Warrant Shares of restriction as soon as possible.

2. Reimbursement of Reasonable Business Expenses. Upon BC's furnishing to the Chief Executive Officer customary and reasonable documentary support (such as receipts or paid bills) evidencing reasonable auditable, out-of-pocket expenses actually incurred or paid by BC in connection with the Services (including travel expenses), and containing sufficient information to establish the amount, date, place and essential character of the expenditure, the Company shall reimburse BC for such expenses in accordance with the Company's policy for reimbursement of expenses. For the avoidance of doubt, and any other provision hereof notwithstanding, the Parties acknowledge and agree that any contemplated expense greater than \$1,000 shall require the prior written consent of the Company.

3. Entire Compensation. BC acknowledges that the foregoing provisions of this Section D constitute the sole and entire compensation and reimbursements payable to it for the Engagement and the provision of the Services of BC and PLK, and the Parties specifically agree that no compensation, benefits or other reimbursements of any other nature shall be paid or payable to BC or PLK as a result of the provision of Services hereunder.

#### **E. Indemnification**

1. Consultant shall not be liable to the Company or their subsidiaries or affiliates for any loss, liability, damage or expense (collectively, a "Loss") arising out of or in connection with the performance of services contemplated by this Agreement, unless such Loss shall be proven to result directly from gross negligence, willful misconduct or bad faith on the part of the Consultant. Consultant makes no representations or warranties, express or implied, in respect of the Services to be provided hereunder. In no event will any of the parties hereto be liable to any other party hereto for any indirect, special, incidental or consequential damages, including lost profits or savings, whether or not such damages are foreseeable, or in respect of any liabilities relating to any third party claims (whether based in contract, tort or otherwise) other than for the Claims (as defined in Section 7 below) relating to the Services which may be provided by Consultant hereunder. The Company and its subsidiaries shall defend, indemnify and hold harmless Consultant from and against any and all Losses arising from any claim by any person with respect to, or in any way related to, this Agreement (including attorneys' fees) (collectively, "Claims") resulting from any act or omission of either of the Company other than for Claims which shall be proven to be the direct result of gross negligence, bad faith or willful misconduct by the Consultant. The Company and its subsidiaries shall defend at its own cost and expense any and all suits or actions (just or unjust) which may be brought against the Company or its subsidiaries and the Consultant or in which the Consultant may be included with others upon any Claims, or upon any matter, directly or indirectly, related to or arising out of this Agreement or the performance hereof by the Consultant, except that if such damage shall be proven to be the direct result of gross negligence, bad faith or willful misconduct by the Consultant then the Consultant shall reimburse the Company and their subsidiaries for the reasonable costs of defense and other costs incurred by the Company and its subsidiaries (including any losses as a result of such actions).

2. The Parties further agree that they shall not, without the prior written consent of the other Party, settle, compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which defense and/or indemnification may be sought hereunder unless such settlement, compromise or consent includes an

unconditional release of the Party seeking defense and/or indemnity from all liability arising out of such claim, action, suit or proceeding.

3. The Party seeking defense or indemnification hereunder shall: (i) promptly notify the other Party of the matter for which defense or indemnification is sought; (ii) subject to the immediately preceding sentence of this paragraph, provide the other Party with sole control over the defense and/or settlement thereof, including but not limited to the selection of counsel; and (iii) at the request of the Party providing defense and/or indemnification, fully cooperate in the provision of full and complete information and reasonable assistance with respect to the defense of such matter.

#### **F. Survival**

The obligations of the Parties pursuant to Sections E shall survive the Termination of this Agreement, regardless of the reason for such Termination, along with any and all other provisions that expressly provide for survival of Termination.

#### **G. Relationship of the Parties; Independent Contractor Status**

The Parties agree that the relationship created by this Engagement is one of an independent contractor. The Parties further agree that BC and PLK, are not and shall not be considered employees of the Company and are not and shall not be entitled to any of the rights and/or benefits that the Company provides for the Company's employees (including any employee pension, health, vacation pay, sick pay or other fringe benefits offered by the Company under plan or practice) by virtue of the Services being rendered by BC or otherwise. BC acknowledges and agrees that it shall be solely responsible for paying all salaries, wages, benefits and other compensation which PLK, may be entitled to receive in connection with the performance of the Services under this Agreement. BC is responsible for all taxes, if any, imposed on it in connection with its performance of Services under this Agreement, including any federal, state and local income, sales, use, excise and other taxes or assessments thereon.

#### **H. Binding Nature; Assignments**

This Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective successors, representatives, administrators, heirs, executors and permitted assigns, except that the duties of PLK are personal and shall not be assigned or subcontracted without the Company's prior written consent and any purported assignment without such written consent shall be deemed void and unenforceable.

#### **I. Entire Agreement; Amendments**

This Agreement contains the entire understanding between the Parties with respect to its subject matter and supersedes all previous negotiations, agreements or understandings between the Parties, whether written or verbal. This Agreement may not be amended or modified, except in writing, executed by duly authorized representatives of the Parties hereto.

The consultants will advise Nuvve on the strategic development of its digital asset portfolio, providing expertise in token selection, decentralized infrastructure opportunities, risk management, and regulatory alignment. Their role will be central to building a sophisticated, high-growth digital treasury as part of Nuvve's broader plan to create long-term shareholder value through blockchain innovation.

The engagement comes on the heels of Nuvve's [recent launch of Nuvve-DigitalAssets](#), a wholly owned subsidiary created to capitalize on opportunities across the cryptocurrency and blockchain economy. The subsidiary's investment strategy will focus on the foundational assets of the next-generation financial system. While we acknowledge the importance of Bitcoin, Solana, and Ethereum, the subsidiary will target multiple picks-and-shovels tokens from high-growth sectors such as decentralized finance (DeFi), decentralized physical infrastructure (DePin), programming, and the tokenization of real-world assets (RWAs).

To ensure strong oversight and execution, Nuvve is forming a Digital Asset Management Portfolio Committee to govern investment decisions. The committee will be chaired by [James Altucher](#), a renowned crypto investor and early Bitcoin advocate; with the support of Tim Collins, veteran financial commentator, known for his deep insights into public markets and crypto asset dynamics, as well as Gregory Poilasne, Nuvve CEO;

"The companies that thrive in this new economy will be the ones who understand where finance is going and have the courage to move early," said Altucher. "Nuvve is doing both with the right team and a clear strategy."

"I've followed disruptive financial trends for decades," added Collins. "The convergence of blockchain, decentralized markets, and traditional financial systems isn't years away, it's happening now. I look forward to guiding this strategy at a company with the courage to lead."

Nuvve will maintain transparency with shareholders through regular updates on digital asset holdings and allocation strategy via the Nuvve-DigitalAssets platform. The company's entry into the crypto economy is not just about diversification; it's about long-term leadership at the intersection of clean energy and digital finance.
