Second Amended and Restated 2020 Equity Incentive Plan
(Amended and Restated on June 2, 2023)

A. Purpose; Definitions.

- a. **Purpose.** The purpose of the Plan is to enable the Company to offer to employees, officers, and directors of, and consultants to, the Company and its Subsidiaries whose past, present and/or potential future contributions to the Company and its Subsidiaries have been, are or will be important to the success of the Company, an opportunity to share monetarily in the success of and/or acquire an equity interest in the Company. The various types of long-term incentive awards that may be provided under the Plan will enable the Company to respond to changes in compensation practices, tax laws, accounting regulations and the size and diversity of its businesses.
- b. **Definitions.** For purposes of the Plan, the following terms shall be defined as set forth below:
 - i. “Affiliate” means a corporation, limited liability company, or other entity that controls, is controlled by, or is under common control with the Company or any of its Subsidiaries.
 - ii. “Agreement” means the agreement between the Company and the Holder, or such other document as may be determined by the Committee, setting forth the terms and conditions of an award under the Plan.
 - iii. “Asset Sale” means an acquisition by any one person, or more than one person acting as a group, together with acquisitions during the 12-month period ending on the date of the most recent acquisition by such person or persons, of assets from the Company that have a total gross fair market value equal to or more than 50% of the total gross fair market value of all of the assets of the Company immediately before such acquisition or acquisitions. For this purpose, gross fair market value means the value of the assets of the Company, or the value of the assets being disposed of, determined without regard to any liabilities associated with such assets.
 - iv. “Board” means the Board of Directors of the Company.
 - v. “Change of Control” means a transaction in which any one person, or more than one person acting as a group, acquires the ownership of stock of the Company that, together with the stock held by such person or group, constitutes more than 50% of the total Fair Market Value or combined voting power of the stock of the Company. A Change of Control caused by an increase in the percentage of stock owned by any one person, or persons acting as a group, as a result of a transaction in which the Company acquires its stock in exchange for property is not treated as a Change of Control for purposes of the Plan.
 - vi. “Code” means the Internal Revenue Code of 1986, as amended from time to time, the Treasury Regulations thereunder, and any other relevant interpretive guidance issued by the Internal Revenue Service or the Treasury Department.
 - vii. “Committee” means the committee of the Board designated to administer the Plan as provided in Section 2.1. If no Committee is so designated, then all references in this Plan to “Committee” shall mean the Board.
 - viii. “Common Stock” means the Common Stock of the Company, par value \$0.0001 per share.
 - ix. “Company” means Nuvve Holding Corp., a corporation organized under the laws of the State of Delaware.

- x. “Disability” means physical or mental impairment as determined under procedures established by the Committee for purposes of the Plan.
- xi. “Effective Date” means the date determined pursuant to Section 11.1.
- xii. “Fair Market Value,” unless otherwise required by any applicable provision of the Code or any regulations issued thereunder, means, as of any given date: (i) if the Common Stock is listed on a national securities exchange or is traded over-the-counter and last sale information is available, unless otherwise determined by the Committee, the last sale price of the Common Stock in the principal trading market for the Common Stock on such date, as reported by the exchange or by such source that the Committee deems reliable, as the case may be; or (ii) if the fair market value of the Common Stock cannot be determined pursuant to clause (i), such price as the Committee shall determine, in good faith.
- xiii. “Holder” means a person who has received an award under the Plan.
- xiv. “Incentive Stock Option” means any Stock Option intended to be and designated as an “incentive stock option” within the meaning of Section 422 of the Code.
- xv. “Non-qualified Stock Option” means any Stock Option that is not an Incentive Stock Option.
- xvi. “Normal Retirement” means retirement from active employment with the Company or any Subsidiary on or after such age which may be designated by the Committee as “retirement age” for any particular Holder. If no age is designated, it shall be 65.
- xvii. “Other Stock-Based Award” means an award under Section 8 that is valued in whole or in part by reference to, or is otherwise based upon, Common Stock.
- xviii. “Parent” means any present or future “parent corporation” of the Company, as such term is defined in Section 424(e) of the Code.
- xix. “Plan” means this Second Amended and Restated 2020 Equity Incentive Plan, as hereinafter amended from time to time.
- xx. “Repurchase Value” means the Fair Market Value if the award to be settled under Section 2.2(g) or repurchased under Section 5.2(1) is comprised of shares of Common Stock and the difference between Fair Market Value and the exercise price (if lower than Fair Market Value) if the award is a Stock Option or Stock Appreciation Right; in each case, multiplied by the number of shares subject to the award. “Repurchase Value,” if the award to be repurchased under Section 9.2 is comprised of shares of Common Stock, means the value of such award based upon the price per share of Common Stock received or to be received by other stockholders of the Company in the event. “Repurchase Value,” if the award to be repurchased under Section 9.2 is comprised of Stock Options or Stock Appreciation Rights, means the difference between (1) the value of such award based upon the price per share of Common Stock received or to be received by other stockholders of the Company in the event and (2) the exercise price (if lower), multiplied by the number of shares subject to the award.
- xxi. “Restriction Period” means the time or times within which awards may be subject to forfeiture, including upon termination of employment or failure of performance conditions.
- xxii. “Restricted Stock” means Common Stock received under an award made pursuant to Section 7 that is subject to restrictions under Section 7.
- xxiii. “Restricted Stock Unit” means an unfunded, unsecured right to receive, on the applicable settlement date, one share or an amount in cash or other consideration determined by the Committee to be of equal value as of such settlement date, subject to certain vesting conditions and other restrictions.
- xxiv. “SAR Value” means the excess of the Fair Market Value (on the exercise date) over (a) the exercise price that the participant would have otherwise had to pay to exercise the related Stock Option or (b) if a Stock Appreciation Right is granted

unrelated to a Stock Option, the Fair Market Value of a share of Common Stock on the date of grant of the Stock Appreciation Right, in either case, multiplied by the number of shares for which the Stock Appreciation Right is exercised.

- xxv. “Stock Appreciation Right” means the right to receive from the Company, without a cash payment to the Company, either a number of shares of Common Stock equal to the SAR Value divided by the Fair Market Value (on the exercise date) or, at the Company’s election, cash in the amount of the SAR Value.
- xxvi. “Stock Option” or “Option” means any option to purchase shares of Common Stock which is granted pursuant to the Plan. Stock Options may be Incentive Stock Options or Non-qualified Stock Options.
- xxvii. “Subsidiary” means any present or future “subsidiary corporation” of the Company, as such term is defined in Section 424(f) of the Code.
- xxviii. “vest” means to become exercisable or to otherwise obtain ownership rights in an award.

B. Administration.

- a. Committee Membership. The Plan shall be administered by the Board or a Committee. If administered by a Committee, such Committee shall be composed of at least two directors, all of whom are “non-employee” directors within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended. Committee members shall serve for such term as the Board may in each case determine and shall be subject to removal at any time by the Board.
- b. Powers of Committee. The Committee shall have full authority to award, pursuant to the terms of the Plan: (i) Stock Options, (ii) Stock Appreciation Rights, (iii) Restricted Stock, (iv) Restricted Stock Units and/or (v) Other Stock-Based Awards. For purposes of illustration and not of limitation, the Committee shall have the authority (subject to the express provisions of this Plan) to:
 - i. select the officers, employees, directors, and consultants of the Company or Subsidiary to whom Stock Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units and/or Other Stock-Based Awards may from time to time be awarded hereunder;
 - ii. determine the terms and conditions, not inconsistent with the terms of the Plan, of any award granted hereunder (including, but not limited to, number of shares, share exercise price or types of consideration paid upon exercise of such options, such as other securities of the Company or other property, any restrictions or limitations, and any vesting, exchange, surrender, cancellation, acceleration, termination, exercise or forfeiture provisions, as the Committee shall determine);
 - iii. interpret this Plan and the terms of awards granted hereunder;
 - iv. determine any specified performance goals or such other factors or criteria which need to be attained for the vesting of an award granted hereunder;
 - v. make all determinations with respect to a Holder’s service and the termination of such service for purposes of any award;
 - vi. determine the terms and conditions under which awards granted hereunder are to operate on a tandem basis and/or in conjunction with or apart from other awards under this Plan and cash and non-cash awards made by the Company and/or Subsidiary outside of this Plan;
 - vii. make payments and distributions with respect to awards (*i.e.*, to “settle” awards) through cash payments in an amount equal to the Repurchase Value;
 - viii. accelerate the vesting or exercisability of any award at any time, and make decisions with respect to outstanding awards that may become necessary upon a Change of Control, Asset Sale, or an event that triggers anti-dilution adjustments under the terms of an outstanding award;

- ix. correct any defects or omissions or reconcile any ambiguities or inconsistencies in the Plan or any award thereunder;
- x. decide all disputes arising in connection with the Plan and to otherwise supervise the administration of the Plan;
- xi. subject to the terms of the Plan, amend the terms of an award in any manner that is not inconsistent with the Plan;
- xii. adopt such procedures, modifications or sub-plans as are necessary or appropriate to permit participation in the Plan by eligible persons who are foreign nationals or employed outside of the United States; and
- xiii. generally, to exercise such powers and to perform such acts as the Committee deems necessary or expedient to promote the best interests of the Company and that are not in conflict with the provisions of the Plan or awards.

The Committee may not modify or amend any outstanding Option or Stock Appreciation Right to reduce the exercise price of such Option or Stock Appreciation Right below the exercise price as of the date of grant of such Option or Stock Appreciation Right. In addition, no payment of cash or other property having a value greater than the Repurchase Value may be made, and no Option or Stock Appreciation Right with a lower exercise price may be granted, in exchange for, or in connection with, the cancellation or surrender of an Option or Stock Appreciation Right.

a. Interpretation of Plan.

- i. Committee Authority. Subject to Section 10, the Committee shall have the authority to adopt, alter and repeal such administrative rules, guidelines and practices governing the Plan as it shall from time to time deem advisable, to interpret the terms and provisions of the Plan and any award issued under the Plan (and to determine the form and substance of all Agreements relating thereto), and to otherwise supervise the administration of the Plan. Subject to Section 10, all decisions made by the Committee pursuant to the provisions of the Plan shall be made in the Committee's sole discretion and shall be final and binding upon all persons, including the Company and its Subsidiaries and the Holders.
- ii. Incentive Stock Options. Anything in the Plan to the contrary notwithstanding, no term or provision of the Plan relating to Incentive Stock Options (including but not limited to Stock Appreciation Rights granted in conjunction with an Incentive Stock Option) nor any Agreement providing for Incentive Stock Options shall be interpreted, amended or altered, nor shall any discretion or authority granted under the Plan be so exercised, so as to disqualify the Plan under Section 422 of the Code or, without the consent of the Holder(s) affected, to disqualify any Incentive Stock Option under such Section 422 of the Code.

2.4 Award Agreements. The terms and conditions of each award made hereunder, as determined by the Committee, shall be set forth in an Agreement, which shall be delivered to the Holder receiving such award upon, or as promptly as reasonably practicable following, the grant of such award. The effectiveness of an award shall be subject to the Holder's acceptance of the Agreement, unless otherwise provided in the Agreement.

2.5 Indemnification. In addition to such other rights of indemnification as they may have as Directors or members of the Committee, and to the extent allowed by Delaware law, the members of the Committee shall be indemnified by the Company against the reasonable expenses, including attorney's fees, actually incurred in connection with any action, suit, or proceeding or in connection with any appeal therein, to which the members of the Committee may be party by reason of any action taken or failure to act under or in connection with the Plan or any award granted under the Plan, and against all amounts paid by the members of the Committee in settlement thereof (provided, however, that the settlement has been approved by the Company, which approval shall not be unreasonably withheld) or paid by the members of the Committee in satisfaction of a judgment in any such action, suit, or proceeding, except in relation to matters as to which it shall be adjudged in such action, suit, or proceeding that such member of the Committee did not act in good faith and in a manner which such person reasonably believed to be in the best interests of the Company, or in the case of a criminal proceeding, had no reason to believe that the conduct complained of was unlawful; provided, however, that within 60 days after the institution of any such action, suit, or proceeding, such members of the Committee shall, in writing, offer the Company the

opportunity at its own expense to handle and defend such action, suit or proceeding. The Company shall advance expenses to members of the Committee in connection with the Company's indemnification obligations hereunder; provided that such member agrees in writing to reimburse the Company for such advances if such member is ultimately not entitled to indemnification hereunder.

A. Stock Subject to Plan.

- a. Number of Shares. The total number of shares of Common Stock reserved and available for issuance under the Plan shall be up to 7,300,000 shares of Common Stock (the "Shares"). Shares may consist, in whole or in part, of authorized and unissued shares or treasury shares, subject to the Annual Increase (as defined below).
- b. Annual Increase in Maximum Number of Shares Issuable. Subject to adjustment as provided in this Section 3.2 (hereof), the maximum aggregate number of shares of Shares that may be issued under the Plan as set forth in Section 3.1 shall be cumulatively increased on January 1, 2024 and on each subsequent January 1 through and including January 1, 2033, by a number of shares (the "Annual Increase") equal to the smaller of (a) five percent (5%) of the number of shares of Stock of the Corporation issued and outstanding on the immediately preceding December 31, and (b) an amount determined by the Board.
- c. Recycling Provision. If any shares of Common Stock that have been granted pursuant to a Stock Option cease to be subject to a Stock Option, or if any shares of Common Stock that are subject to any Stock Appreciation Right, Restricted Stock award, Restricted Stock Units or Other Stock-Based Award granted hereunder are forfeited, or any such award otherwise terminates without a payment being made to the Holder in the form of Common Stock, such shares shall again be available for distribution in connection with future grants and awards under the Plan. Shares that are surrendered by a Holder or withheld by the Company as full or partial payment in connection with any award under the Plan, as well as any Shares surrendered by a Holder or withheld by the Company or its Subsidiaries to satisfy the tax withholding obligations related to any award under the Plan, shall not be available for subsequent awards under the Plan.
- d. Adjustment Upon Changes in Capitalization, Etc. In the event of any Common Stock dividend payable on shares of Common Stock, Common Stock split or reverse split, combination or exchange of shares of Common Stock, or other extraordinary or unusual event which results in a change in the shares of Common Stock of the Company as a whole, the Committee shall determine, in its sole discretion, whether such change equitably requires an adjustment in the terms of any award in order to prevent dilution or enlargement of the benefits available under the Plan (including number of shares subject to the award and the exercise price), in the aggregate number of shares reserved for issuance under the Plan pursuant to Section 3.1 or in the limits set forth in Section 3.6 and 3.7. Any such adjustments will be made by the Committee, whose determination will be final, binding and conclusive.
- e. Administrative Stand Still. In the event of any changes in capitalization described above in Section 3.3, or any other extraordinary transaction or change affecting the shares or the share price of Common Stock, including any equity restructuring or any securities offering or other similar transaction, for administrative convenience, the Committee may refuse to permit the exercise of any award for up to sixty days before and/or after such transaction; provided, however, that the Committee may not refuse to permit the exercise of any award during the last five trading days prior to the expiration of such award.
- f. Substitute Awards. In connection with an entity's merger or consolidation with the Company or any Subsidiary or the Company's or any Subsidiary's acquisition of an entity's property or stock, the Committee may grant awards in substitution for any options or other stock or stock-based awards granted before such merger or consolidation by such entity or its affiliate. Substitute awards may be granted on such terms as the Committee deems appropriate, notwithstanding limitations on awards in the Plan. Substitute awards will not count against the plan limit, except that shares acquired by exercise of substitute

Incentive Stock Options will count against the maximum number of shares that may be issued pursuant to the exercise of Incentive Stock Options under the Plan.

- g. Incentive Stock Option Limit. No more than 20,000,000 shares of Common Stock may be issued pursuant to the exercise of Incentive Stock Options.
- h. Individual Limits. No person may be granted awards exercisable for in excess of 750,000 shares of Common Stock during any calendar year. The maximum aggregate amount of cash and value of awards (calculated based on grant date fair value of the awards for financial reporting purposes) granted in any calendar year to any individual non-employee director in his or her capacity as a non-employee director shall not exceed \$750,000. The Board may make additional exceptions to this limit for individual non-employee directors in extraordinary circumstances, as the Board may determine in its discretion, provided that the non-employee director receiving such additional compensation may not participate in the decision to award such compensation. For the avoidance of doubt, this limitation shall not apply to cash or awards granted to the non-employee director in his or her capacity as an advisor or consultant to the Company.

B. Eligibility.

Awards may be made or granted to employees, officers, directors and consultants of the Company or its Subsidiaries who are deemed to have rendered or to be able to render significant services to the Company or its Subsidiaries and who are deemed to have contributed or to have the potential to contribute to the success of the Company or Subsidiary and which recipients are qualified to receive awards under the regulations governing Form S-8 registration statements under the Securities Act of 1933, as amended ("Securities Act"). No Incentive Stock Option shall be granted to any person who is not an employee of the Company or a Subsidiary (including any non-employee directors) at the time of grant or so qualified as set forth in the immediately preceding sentence. Notwithstanding anything to the contrary, an award may be made or granted to a person in connection with his hiring or retention, or at any time on or after the date he reaches an agreement (oral or written) with the Company or its Subsidiaries with respect to such hiring or retention, even though it may be prior to the date the person first performs services for the Company or its Subsidiaries; provided, however, that no portion of any such award shall vest prior to the date the person first performs such services and the date of grant shall be deemed to be the date hiring or retention commences.

A. Stock Options.

- a. Grant. Stock Options granted under the Plan may be of two types: (i) Incentive Stock Options and (ii) Non-qualified Stock Options. Any Stock Option granted under the Plan shall contain such terms, not inconsistent with this Plan, or with respect to Incentive Stock Options, not inconsistent with the Plan and the Code, as the Committee may from time to time approve. The Agreement for a Stock Option shall indicate whether the Stock Option is intended to be an Incentive Stock Option or a Non-qualified Stock Option.
- b. Terms and Conditions. Stock Options granted under the Plan shall be subject to the following terms and conditions:
 - i. Option Term. The term of each Stock Option shall be fixed by the Committee; provided, however, that no Stock Option may be exercisable after the expiration of ten years from the date of grant; provided, further, that no Incentive Stock Option granted to a person who, at the time of grant, owns stock possessing more than 10% of the total combined voting power of all classes of voting stock of the Company ("10% Shareholder") may be exercisable after the expiration of five years from the date of grant.
 - ii. Exercise Price. The exercise price per share of Common Stock purchasable under a Stock Option shall be determined by the Committee at the time of grant; provided, however, that the exercise price of a Stock Option may not be less than 100% of the Fair Market Value on the date of grant or, if greater, the par value of a share of Common Stock; provided, further, that the exercise price of an Incentive Stock

Option granted to a 10% Shareholder may not be less than 110% of the Fair Market Value on the date of grant.

- iii. Exercisability. Stock Options shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee. The Committee intends generally to provide that Stock Options be exercisable only in installments, i.e., that they vest over time, typically over a two- to five-year period. The Committee may waive such installment exercise provisions at any time at or after the time of grant in whole or in part, based upon such factors as the Committee determines in its sole discretion.
- iv. Method of Exercise. Subject to the installment, exercise and waiting period provisions as set forth in the Agreement, Stock Options may be exercised in whole or in part at any time during the term of the Option by giving written notice of exercise to the Company specifying the number of shares of Common Stock to be purchased. Such notice shall be accompanied by payment in full of the purchase price, which shall be in cash or, if provided in the Agreement, either in shares of Common Stock (including Restricted Stock and other contingent awards under this Plan or a reduction of the number of shares of Common Stock otherwise deliverable upon exercise of such Option) or partly in cash and partly in such Common Stock, or such other means which the Committee determines are consistent with the Plan's purpose and applicable law. Cash payments shall be made by wire transfer, certified or bank check or personal check, in each case payable to the order of the Company; provided, however, that the Company shall not be required to deliver certificates for shares of Common Stock with respect to which an Option is exercised until the Company has confirmed the receipt of good and available funds in payment of the purchase price thereof (except that, in the case of an exercise arrangement approved by the Committee and described in the next sentence of this section, payment may be made as soon as practicable after the exercise). The Committee may permit a Holder to elect to pay the exercise price upon the exercise of a Stock Option by irrevocably authorizing a third party to sell shares of Common Stock (or a sufficient portion of the shares) acquired upon exercise of the Stock Option and remit to the Company a sufficient portion of the sale proceeds to pay the entire exercise price and any tax withholding resulting from such exercise. The Committee may also authorize other means for paying the exercise price of a Stock Option, including using the value of the Stock Option (as determined by the difference in the Fair Market Value of the Common Stock and the exercise price of the Stock Option or other means determined by the Committee).
- v. Stock Payments. Payments in the form of Common Stock shall be valued at the Fair Market Value on the date of exercise. Such payments shall be made by delivery of stock certificates in negotiable form that are effective to transfer good and valid title thereto to the Company, free of any liens or encumbrances.
- vi. Transferability. Except as may be set forth in the next sentence of this Section or in the Agreement, no Stock Option shall be transferable by the Holder other than by will or by the laws of descent and distribution, and all Stock Options shall be exercisable, during the Holder's lifetime, only by the Holder (or, to the extent of legal incapacity or incompetency, the Holder's guardian or legal representative). Notwithstanding the foregoing, a Holder, with the approval of the Committee, may transfer a Non-Qualified Stock Option (i) (A) by gift, for no consideration, or (B) pursuant to a domestic relations order, in either case, to or for the benefit of the Holder's "Immediate Family" (as defined below), or (ii) to an entity in which the Holder and/or members of Holder's Immediate Family own more than fifty percent of the voting interest, subject to such limits as the Committee may establish and the execution of such documents as the Committee may require, and in any case the

transferee shall remain subject to all the terms and conditions applicable to the Non-Qualified Stock Option prior to such transfer. The term "Immediate Family" shall mean any child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law, including adoptive relationships, any person sharing the Holder's household (other than a tenant or employee), a trust in which these persons have more than fifty percent beneficial interest, and a foundation in which these persons (or the Holder) control the management of the assets. The Committee may, in its sole discretion, permit transfer of an Incentive Stock Option in a manner consistent with applicable tax and securities law upon the Holder's request.

- vii. Termination by Reason of Death. If a Holder's employment by, or association with, the Company or Subsidiary terminates by reason of death, any Stock Option held by such Holder, unless otherwise determined by the Committee and set forth in the Agreement, shall thereupon automatically terminate, except that the portion of such Stock Option that has vested on the date of death may thereafter be exercised by the legal representative of the estate or by the legatee of the Holder under the will of the Holder, for a period of one year (or such other greater or lesser period as the Committee may specify in the Agreement) from the date of such death or until the expiration of the stated term of such Stock Option, whichever period is shorter.
- viii. Termination by Reason of Disability. If a Holder's employment by, or association with, the Company or Subsidiary terminates by reason of Disability, any Stock Option held by such Holder, unless otherwise determined by the Committee and set forth in the Agreement, shall thereupon automatically terminate, except that the portion of such Stock Option that has vested on the date of termination may thereafter be exercised by the Holder for a period of one year (or such other greater or lesser period as the Committee may specify in the Agreement) from the date of such termination or until the expiration of the stated term of such Stock Option, whichever period is shorter.
- ix. Termination by Reason of Normal Retirement. Subject to the provisions of Section 12.3, if such Holder's employment by, or association with, the Company or Subsidiary terminates due to Normal Retirement, any Stock Option held by such Holder, unless otherwise determined by the Committee and set forth in the Agreement, shall thereupon automatically terminate, except that the portion of such Stock Option that has vested on the date of termination may thereafter be exercised by the Holder for a period of one year in the case of a Non-Qualified Stock Option or three months in the case of an Incentive Stock Option (or such other greater or lesser period as the Committee may specify in the Agreement) from the date of such termination or until the expiration of the stated term of such Stock Option, whichever period is shorter.
- x. Other Termination. Subject to the provisions of Section 12.3, if such Holder's employment by, or association with, the Company or Subsidiary terminates for any reason other than death, Disability or Normal Retirement, any Stock Option held by such Holder, unless otherwise determined by the Committee and set forth in the Agreement, shall thereupon automatically terminate, except that, if the Holder's employment is terminated by the Company or Subsidiary without cause, the portion of such Stock Option that has vested on the date of termination may thereafter be exercised by the Holder for a period of three months (or such other greater or lesser period as the Committee may specify in the Agreement) from the date of such termination or until the expiration of the stated term of such Stock Option, whichever period is shorter.
- xi. Incentive Stock Options.

1. The aggregate Fair Market Value (on the date of grant of the Stock Option) of shares of Common Stock with respect to which Incentive Stock Options become exercisable for the first time by a Holder during any calendar year (under all such plans of the Company and its Subsidiaries) shall not exceed \$100,000.
 2. To the extent that any Stock Option intended to qualify as an Incentive Stock Option does not so qualify, including by reason of the immediately preceding sentence, it shall constitute a separate Non-qualified Stock Option. The Company shall have no liability to any Holder or any other person if a Stock Option designated as an Incentive Stock Option fails to qualify as such at any time or if a Stock Option is determined to constitute “nonqualified deferred compensation” within the meaning of Section 409A of the Code and the terms of such Stock Option do not satisfy the requirements of Section 409A of the Code.
- xii. Buyout and Settlement Provisions. The Committee may at any time, in its sole discretion, offer to repurchase a Stock Option previously granted, at a purchase price not to exceed the Repurchase Value, based upon such terms and conditions as the Committee shall establish and communicate to the Holder at the time that such offer is made.
 - xiii. Rights as Stockholder. A Holder shall have none of the rights of a stockholder with respect to the shares subject to the Option until such shares shall be transferred to the Holder upon the exercise of the Option.
- B. Stock Appreciation Rights.
- a. Grant. Subject to the terms and conditions of the Plan, the Committee may grant Stock Appreciation Rights in tandem with an Option (“Related Right”) or alone and unrelated to an Option. The Committee may grant Stock Appreciation Rights to participants who have been or are being granted Stock Options under the Plan as a means of allowing such participants to exercise their Stock Options without the need to pay the exercise price in cash. In the case of a Non-qualified Stock Option, a Stock Appreciation Right may be granted either at or after the time of the grant of such Non-qualified Stock Option. In the case of an Incentive Stock Option, a Stock Appreciation Right may be granted only at the time of the grant of such Incentive Stock Option. Any Stock Appreciation Rights granted under the Plan shall contain such terms, not inconsistent with this Plan, or with respect to Stock Appreciation Rights granted in tandem with Incentive Stock Options, not inconsistent with the Plan and the Code, as the Committee may from time to time approve.
 - b. Terms and Conditions. Stock Appreciation Rights shall be subject to the following terms and conditions:
 - i. Exercisability. Stock Appreciation Rights shall be exercisable as shall be determined by the Committee and set forth in the Agreement. Notwithstanding the foregoing, a Related Right shall be exercisable only to the same extent as the related Option, subject to the limitations, if any, imposed by the Code with respect to related Incentive Stock Options, and provided that the Holder surrenders the applicable portion of the related Stock Option upon exercise of the Related Right. Upon exercise of all or a portion of a Stock Appreciation Right and, if applicable, surrender of the applicable portion of the related Stock Option, the Holder shall be entitled to receive a number of shares of Common Stock equal to the SAR Value divided by the Fair Market Value on the date the Stock Appreciation Right is exercised or, at the Company’s election, cash for the value so calculated.
 - ii. Termination. All or a portion of a Related Right shall terminate and shall no longer be exercisable upon the termination or after the exercise of the applicable portion of the related Stock Option.

- iii. Shares Available Under Plan. The granting of a Stock Appreciation Right in tandem with a Stock Option shall not affect the number of shares of Common Stock available for awards under the Plan. The number of shares available for awards under the Plan will, however, be reduced by the number of shares of Common Stock acquirable upon exercise of the Stock Option to which such Stock Appreciation Right relates.

C. Restricted Stock; Restricted Stock Units.

- a. Grant. Shares of Restricted Stock and Restricted Stock Units may be awarded either alone or in addition to other awards granted under the Plan. The Committee shall determine the eligible persons to whom, and the time or times at which, grants of Restricted Stock and Restricted Stock Units will be awarded, the number of shares to be awarded, the price (if any) to be paid by the Holder, the Restriction Period (if any), and the vesting schedule (if any) and rights to acceleration thereof. Restricted Stock and Restricted Stock Units granted under the Plan shall contain such other terms, not inconsistent with this Plan as the Committee may from time to time approve.
- b. Restricted Stock Terms and Conditions. Each Restricted Stock award shall be subject to the following terms and conditions:
 - i. Certificates. Restricted Stock, when issued, will be represented by a stock certificate or certificates or a book-entry position registered in the name of the Holder to whom such Restricted Stock shall have been awarded. During the Restriction Period and until the satisfaction of any other applicable restrictions, terms and conditions, the certificates or book-entry position representing the Restricted Stock and any securities constituting Retained Distributions (as defined below) shall bear a legend to the effect that ownership of the Restricted Stock (and such Retained Distributions) and the enjoyment of all rights appurtenant thereto are subject to the restrictions, terms and conditions provided in the Plan and the Agreement. Such certificates shall be deposited by the Holder with the Company, together with stock powers or other instruments of assignment, each endorsed in blank, which will permit transfer to the Company of all or any portion of the Restricted Stock and any securities constituting Retained Distributions that shall not become vested and shall be forfeited in accordance with the Plan and the Agreement.
 - ii. Rights of Holder. Restricted Stock shall constitute issued and outstanding shares of Common Stock for all corporate purposes. The Holder will have the right to vote such Restricted Stock and to exercise all other rights, powers and privileges of a holder of Common Stock with respect to such Restricted Stock, with the exceptions that, except as otherwise provided in the Agreement, (i) the Holder will not be entitled to delivery of the stock certificate or certificates representing such Restricted Stock until the Restriction Period shall have expired and all applicable restrictions, terms and conditions shall have been satisfied; (ii) the Company will retain custody of the stock certificate or certificates representing the Restricted Stock until the Restriction Period shall have expired and all applicable restrictions, terms and conditions shall have been satisfied; (iii) the Company will retain custody of all dividends and distributions (“Retained Distributions”) made, paid or declared with respect to the Restricted Stock (and such Retained Distributions will be subject to the same restrictions, terms and conditions as are applicable to the Restricted Stock) until such time, if ever, as the Restricted Period for the Restricted Stock with respect to which such Retained Distributions shall have been made, paid or declared shall have expired and all applicable restrictions, terms and conditions shall have been satisfied; and (iv) a breach by the Holder of any of the restrictions, terms or conditions contained in this Plan or the Agreement or otherwise established by the Committee with respect to any Restricted Stock or Retained Distributions will cause

- a forfeiture of such Restricted Stock and any Retained Distributions with respect thereto.
- iii. Vesting; Forfeiture. Upon the expiration of the Restriction Period with respect to each award of Restricted Stock and the satisfaction of any applicable restrictions, terms and conditions (i) all or part of such Restricted Stock shall become vested in accordance with the terms of the Agreement, and (ii) any Retained Distributions with respect to such Restricted Stock shall become vested to the extent that the Restricted Stock related thereto shall have become vested. Any such Restricted Stock and Retained Distributions that do not vest shall be forfeited to the Company and the Holder shall not thereafter have any rights with respect to such Restricted Stock and Retained Distributions that shall have been so forfeited.
- c. Restricted Stock Units Terms and Conditions. Each Restricted Stock Units award shall be subject to the following terms and conditions:
- i. Settlement. The Committee may provide that settlement of Restricted Stock Units will occur upon or as soon as reasonably practicable after the Restricted Stock Units vest or will instead be deferred, on a mandatory basis or at the Holder's election, in a manner intended to comply with Section 409A.
 - ii. No Rights as a Stockholder. A Holder will have no rights of a holder of Common Stock with respect to shares subject to any Restricted Stock Unit unless and until the shares are delivered in settlement of the Restricted Stock Unit. No shares of Common Stock will be issued at the time a Restricted Stock Unit is granted.
 - iii. Dividend Equivalents. If the Committee provides, a grant of Restricted Stock Units may provide a Holder with the right to receive dividend equivalents. Dividend equivalents may be paid currently or credited to an account for the Holder, settled in cash or shares and subject to the same restrictions on transferability and forfeitability as the Restricted Stock Units with respect to which the dividend equivalents are granted and subject to other applicable restrictions, terms and conditions as set forth in the Agreement.
 - iv. Vesting; Forfeiture. Upon the expiration of the Restriction Period with respect to each award of Restricted Stock Units and the satisfaction of any applicable restrictions, terms and conditions, the Restricted Stock Units shall become vested in accordance with the terms of the Agreement. Any such Restricted Stock Units that do not vest shall be forfeited to the Company and the Holder shall not thereafter have any rights with respect to such Restricted Stock Units that shall have been so forfeited.

7.4 Removal of Restrictions. The Committee may remove any or all of the restrictions on Restricted Stock or Restricted Stock Units upon the determination that, by reason of changes in applicable laws or other changes in circumstances arising after the date of grant, such action is appropriate.

A. Other Stock-Based Awards.

Other Stock-Based Awards may be awarded, subject to limitations under applicable law, that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, shares of Common Stock, as deemed by the Committee to be consistent with the purposes of the Plan, including, without limitation, purchase rights, shares of Common Stock awarded which are not subject to any restrictions or conditions, convertible or exchangeable debentures, or other rights convertible into shares of Common Stock and awards valued by reference to the value of securities of or the performance of specified Subsidiaries. These Other Stock-Based Awards may include performance shares or options, whose award is tied to specific performance goals. Other Stock-Based Awards may be awarded either alone or in addition to or in tandem with any other awards under this Plan or any other plan of the Company. Each Other Stock-Based Award shall be subject to such terms and conditions as may be determined by the Committee.

A. Accelerated Vesting and Exercisability.

- a. Non-Approved Transactions. If there is a Change of Control, and the Board does not authorize or otherwise approve such transaction, then the vesting periods of any and all Stock Options and other awards granted and outstanding under the Plan shall be accelerated and all such Stock Options and awards will immediately and entirely vest, and the respective holders thereof will have the immediate right to purchase and/or receive any and all Common Stock subject to such Stock Options and awards on the terms set forth in this Plan and the respective Agreements respecting such Stock Options and awards, and all performance goals will be deemed achieved at 100% of target levels and all other terms and conditions will be deemed met.
- b. Approved Transactions. In the event of an Asset Sale or if there is a Change of Control that has been approved by the Company's Board of Directors, then the Committee may (i) accelerate the vesting of any and all Stock Options and other awards granted and outstanding under the Plan; (ii) require a Holder of any Stock Option, Stock Appreciation Right, Restricted Stock award or Other Stock-Based Award granted under this Plan to relinquish such award to the Company upon the tender by the Company to Holder of cash, stock or other property, or any combination thereof, in an amount equal to the Repurchase Value of such award; provided, however, that the obligation to tender the Repurchase Value to such Holders may be subject to any terms and conditions to which the tender of consideration to the Company's stockholders in connection with the acquisition is subject, including any terms and conditions of the acquisition providing for an adjustment to or escrow of such consideration; and provided, further, that in the case of any Stock Option or Stock Appreciation Right with an exercise price that equals or exceeds the price paid for a share of Common Stock in connection with the acquisition, the Committee may cancel the Stock Option or Stock Appreciation Right without the payment of consideration therefor; and/or (iii) terminate all incomplete performance periods in respect of awards in effect on the date the acquisition occurs, determine the extent to which performance goals have been met based upon such information then available as it deems relevant and cause to be paid to the Holder all or the applicable portion of the award based upon the Committee's determination of the degree of attainment of performance goals, or on such other basis determined by the Committee.
- c. Section 409A. Notwithstanding any provisions of this Plan or any award granted hereunder to the contrary, no acceleration shall occur with respect to any award to the extent such acceleration would cause the Plan or an award granted hereunder to fail to comply with Section 409A of the Code.

B. Amendment and Termination.

The Board may at any time, and from time to time, amend alter, suspend or discontinue any of the provisions of the Plan or any Agreement, but no amendment, alteration, suspension or discontinuance shall be made that would impair the rights of a Holder under any Agreement theretofore entered into hereunder, without the Holder's consent, except as set forth in this Plan or the Agreement. Notwithstanding anything to the contrary herein, no amendment to the provisions of the Plan shall be effective unless approved by the stockholders of the Company to the extent stockholder approval is necessary to satisfy any provision of the Code or other applicable law or the listing requirements of any national securities exchange on which the Company's securities are listed.

A. Term of Plan.

- a. Effective Date. The Effective Date of the Plan shall be March 24, 2023, subject to the approval of the Plan by the Company's stockholders on or prior to the one-year anniversary of the Effective Date. Only Stock Options may be granted under the Plan prior to such approval of the Plan by the Company's stockholders; provided, that if the Plan is not approved by the affirmative vote of the holders of a majority of the Common Stock within one year from the Effective Date, then (i) no Incentive Stock Options may be granted hereunder and (ii) all Incentive Stock Options previously granted hereunder shall be automatically converted into Non-qualified Stock Options.

- b. Termination Date. Unless terminated by the Board, this Plan shall continue to remain effective until such time as no further awards may be granted and all awards granted under the Plan are no longer outstanding. Notwithstanding the foregoing, grants of Incentive Stock Options may be made only during the ten-year period beginning on the Effective Date.
- B. General Provisions.
- a. Written Agreements. Each award granted under the Plan shall be confirmed by, and shall be subject to the terms of, the Agreement executed by the Company and the Holder, or such other document as may be determined by the Committee. The Committee may terminate any award made under the Plan if the Agreement relating thereto is not executed and returned to the Company within 10 days after the Agreement has been delivered to the Holder for his or her execution.
- b. Unfunded Status of Plan. The Plan is intended to constitute an “unfunded” plan for incentive and deferred compensation. Neither the Company, the Board, nor the Committee shall be required to establish any special or separate fund or to segregate any assets to ensure the performance of obligations under the Plan. With respect to any payments not yet made to a Holder by the Company, nothing contained herein shall give any such Holder any rights that are greater than those of a general creditor of the Company.
- c. Employees.
- i. Engaging in Competition with the Company; Solicitation of Customers and Employees; Disclosure of Confidential Information. If a Holder’s employment with the Company or Subsidiary is terminated for any reason whatsoever, and Holder (i) within three months after the date thereof, accepts employment with any competitor of, or otherwise engages in competition with, the Company, any Subsidiary, or any Affiliate thereof, (ii) within two years after the date thereof, solicits any customers or employees of the Company, any Subsidiary, or any Affiliate thereof to do business with or render services to the Holder or any business with which the Holder becomes affiliated or to which the Holder renders services or (iii) at any time uses or discloses to anyone outside the Company any confidential information of the Company, any Subsidiary, or any Affiliate thereof in violation of the Company’s policies or any agreement between the Holder and the Company or Subsidiary, the Committee, in its sole discretion, may require such Holder to return (through the payment of cash, return and transfer to the Company of shares of Common Stock or by other methods determined by the Committee) to the Company the economic value of any award that was realized or obtained by such Holder at any time during the period beginning on the date that is six months prior to the date such Holder’s employment with the Company is terminated; provided, however, that if the Holder is a resident of the State of California, such right must be exercised by the Company for cash within six months after the date of termination of the Holder’s service to the Company or within six months after exercise of the applicable Stock Option, whichever is later. In such event, Holder agrees to (1) remit to the Company, in cash, an amount equal to the difference between the Fair Market Value of the shares subject to the award on the date of termination (or the sales price of such Shares if the Shares were sold during such six month period) and the price the Holder paid the Company for such shares, or (2) in the case of SARs, shall, at the Company’s election, return the full amount paid to the Holder in connection therewith.
- ii. Termination for Cause. If a Holder’s employment with the Company or Subsidiary is terminated for “cause” (as may be defined in the Agreement or an employment agreement entered into by the Holder), the Committee may, in its sole discretion, require such Holder to return to the Company the economic value of any award that was realized or obtained by such Holder at any time during the period beginning on

that date that is six months prior to the date such Holder's employment with the Company is terminated. In such event, Holder agrees to (1) remit to the Company, in cash, an amount equal to the difference between the Fair Market Value of the shares on the date of termination (or the sales price of such Shares if the shares were sold during such six month period) and the price the Holder paid the Company for such shares, (2) with the consent of the Company, which may be withheld for any reason or no reason, surrender to the Company shares of Common Stock having Fair Market Value equal to the Fair Market Value on the date they were acquired upon exercise of the Option or (3) in the case of SARs, return the full amount paid to the Holder in connection therewith.

- iii. No Right of Employment. Nothing contained in the Plan or in any award hereunder shall be deemed to confer upon any Holder who is an employee of the Company, or Subsidiary any right to continued employment with the Company or Subsidiary, nor shall it interfere in any way with the right of the Company or Subsidiary to terminate the employment of any Holder who is an employee at any time.
- d. No Fractional Shares. No fractional shares of Common Stock shall be issued or delivered pursuant to the Plan. The Committee shall determine whether cash, additional awards or other securities or property shall be issued or paid in lieu of fractional shares of Common Stock or whether any fractional shares should be rounded, forfeited or otherwise eliminated.
- e. Limitations on Liability.
 - i. Notwithstanding any other provisions of the Plan, no individual acting as a director, officer, other employee or agent of the Company or any Subsidiary, Parent or Affiliate, or member of the Committee, will be liable to any Holder, former Holder, spouse, beneficiary, or any other person for any claim, loss, liability, or expense incurred in connection with the Plan or any award, and such individual will not be personally liable with respect to the Plan because of any contract or other instrument executed in his or her capacity as member of the Committee, director, officer, other employee or agent of the Company or any Subsidiary, Parent or Affiliate. The Company will indemnify and hold harmless each director, officer, other employee and agent of the Company or any Subsidiary, Parent or Affiliate and member of the Committee that has been or will be granted or delegated any duty or power relating to the Plan's administration or interpretation, against any cost or expense (including attorneys' fees) or liability (including any sum paid in settlement of a claim with the Committee's approval) arising from any act or omission concerning this Plan unless arising from such person's own fraud or bad faith.
 - ii. Neither the Company nor any Subsidiary shall be liable to a Holder or any other person as to: (i) the non-issuance or sale of shares as to which the Company has been unable to obtain from any regulatory body having jurisdiction the authority deemed by the Company's counsel to be necessary to the lawful issuance and sale of any shares hereunder; and (ii) any tax consequence expected, but not realized, by any Holder or other person due to the receipt, exercise or settlement of any Award granted hereunder.
- f. Lock-Up Period. The Company may, at the request of any underwriter, placement agent or otherwise, in connection with the registered offering of any Company securities under the Securities Act or pursuant to an exemption therefrom, prohibit Holders from, directly or indirectly, selling or otherwise transferring any shares or other Company securities acquired under this Plan during a period of up to one hundred eighty (180) days following either the effective date of a Company registration statement filed under the Securities Act, in the case of a registered offering, or the

closing date of the sale of the Company securities, in the case of an offering exempt from registration, or for such longer period as determined by the underwriter or placement agent.

- g. Data Privacy. As a condition for receiving any award, each Holder explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of personal data as described in this paragraph by and among the Company and its Subsidiaries, Affiliates, and any Parent exclusively for implementing, administering and managing the Holder's participation in the Plan. The Company and its Subsidiaries, Affiliates, and any Parent may hold certain personal information about a Holder, including the Holder's name, address and telephone number; birthdate; social security, insurance number or other identification number; salary; nationality; job title(s); any shares held in the Company or its Subsidiaries, Affiliates, and any Parent; and award details, to implement, manage and administer the Plan and awards (the "Data"). The Company and its Subsidiaries, Affiliates, and any Parent may transfer the Data amongst themselves as necessary to implement, administer and manage a Holder's participation in the Plan, and the Company and its Subsidiaries, Affiliates, and any Parent may transfer the Data to third parties assisting the Company with Plan implementation, administration and management. These recipients may be located in the Holder's country, or elsewhere, and the Holder's country may have different data privacy laws and protections than the recipients' country. By accepting an award, each Holder authorizes such recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, to implement, administer and manage the Holder's participation in the Plan, including any required Data transfer to a transfer agent, broker or other third party with whom the Company or the Holder may elect to deposit any shares. The Data related to a Holder will be held only as long as necessary to implement, administer, and manage the Holder's participation in the Plan. A Holder may, at any time, view the Data that the Company holds regarding such Holder, request additional information about the storage and processing of the Data regarding such Holder, recommend any necessary corrections to the Data regarding the Holder or refuse or withdraw the consents in this Section 12.7 in writing, without cost, by contacting the local human resources representative. The Company may cancel Holder's ability to participate in the Plan and, in the Committee's discretion, the Holder may forfeit any outstanding awards if the Holder refuses or withdraws the consents in this Section 12.7. For more information on the consequences of refusing or withdrawing consent, Holders may contact their local human resources representative.
- h. Successor. The obligations of the Company under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation or other reorganization of the Company, or upon any successor corporation or organization succeeding to all or substantially all of the assets and business of the Company and its Subsidiaries, taken as a whole.
- i. Investment Representations; Company Policy. The Committee may require each person acquiring shares of Common Stock pursuant to a Stock Option or other award under the Plan to represent to and agree with the Company in writing that the Holder is acquiring the shares for investment without a view to distribution thereof. Each person acquiring shares of Common Stock pursuant to a Stock Option or other award under the Plan shall be required to abide by all policies of the Company in effect at the time of such acquisition and thereafter with respect to the ownership and trading of the Company's securities.
- j. Additional Incentive Arrangements. Nothing contained in the Plan shall prevent the Board from adopting such other or additional incentive arrangements as it may deem desirable, including, but not limited to, the granting of Stock Options and the awarding of Common Stock and cash otherwise than under the Plan; and such arrangements may be either generally applicable or applicable only in specific cases.
- k. Withholding Taxes. Not later than the date as of which an amount must first be included in the gross income of the Holder for Federal income tax purposes with respect to any Stock Option or other award under the Plan, the Holder shall pay to the Company, or make

arrangements satisfactory to the Committee regarding the payment of, any Federal, state and local taxes of any kind required by law to be withheld or paid with respect to such amount. If permitted by the Committee, tax withholding or payment obligations may be settled with Common Stock, including Common Stock that is part of the award that gives rise to the withholding requirement. The obligations of the Company under the Plan shall be conditioned upon such payment or arrangements and the Company or the Holder's employer (if not the Company) shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to the Holder from the Company or any Subsidiary.

- l. Clawback. Notwithstanding any other provisions of the Plan, any award which is subject to recovery under any law, government regulation or listing requirement of any national securities exchange on which the Company's securities are listed, will be subject to such deductions and clawback as may be required to be made pursuant to such law, government regulation or listing requirement (or any policy adopted by the Company pursuant to any such law, government regulation or listing requirement).
- m. Governing Law. The Plan and all awards made and actions taken thereunder shall be governed by and construed in accordance with the law of the State of Delaware (without regard to choice of law provisions).
- n. Other Benefit Plans. Any award granted under the Plan shall not be deemed compensation for purposes of computing benefits under any retirement plan of the Company or any Subsidiary and shall not affect any benefits under any other benefit plan now or subsequently in effect under which the availability or amount of benefits is related to the level of compensation (unless required by specific reference in any such other plan to awards under this Plan).
- o. Non-Transferability. Except as otherwise expressly provided in the Plan or the Agreement, no right or benefit under the Plan may be alienated, sold, assigned, hypothecated, pledged, exchanged, transferred, encumbered or charged, and any attempt to alienate, sell, assign, hypothecate, pledge, exchange, transfer, encumber or charge the same shall be void.
- p. Applicable Laws. The obligations of the Company with respect to all Stock Options and other awards under the Plan shall be subject to (i) all applicable laws, rules and regulations and such approvals by any governmental agencies as may be required, including, without limitation, the Securities Act, and (ii) the rules and regulations of any securities exchange on which the Common Stock may be listed. Notwithstanding anything herein to the contrary, the Plan and all awards will be administered only in conformance with such applicable laws. To the extent such applicable laws permit, the Plan and all Agreements will be deemed amended as necessary to conform to such applicable laws.
- q. Conflicts. If any of the terms or provisions of the Plan or an Agreement conflict with the requirements of Section 422 of the Code, then such terms or provisions shall be deemed inoperative to the extent they so conflict with such requirements. Additionally, if this Plan or any Agreement does not contain any provision required to be included herein under Section 422 of the Code, such provision shall be deemed to be incorporated herein and therein with the same force and effect as if such provision had been set out at length herein and therein. If any of the terms or provisions of any Agreement conflict with any terms or provisions of the Plan, then such terms or provisions shall be deemed inoperative to the extent they so conflict with the requirements of the Plan. Additionally, if any Agreement does not contain any provision required to be included therein under the Plan, such provision shall be deemed to be incorporated therein with the same force and effect as if such provision had been set out at length therein.
- r. Compliance with Section 409A of the Code. The Company intends that any awards be structured in compliance with, or to satisfy an exemption from, Section 409A of the Code, such that there are no adverse tax consequences, interest, or penalties pursuant to Section 409A of the Code as a result of the awards. Notwithstanding the Company's intention, in

the event any award is subject to Section 409A of the Code, the Committee may, in its sole discretion and without a participant's prior consent, amend this Plan and/or outstanding Agreements, adopt policies and procedures, or take any other actions (including amendments, policies, procedures and actions with retroactive effect) as are necessary or appropriate to (i) exempt this Plan and/or any award from the application of Section 409A of the Code, (ii) preserve the intended tax treatment of any such award, or (iii) comply with the requirements of Section 409A of the Code, including without limitation any such regulations guidance, compliance programs and other interpretive authority that may be issued after the date of grant of an award. This Plan shall be interpreted at all times in such a manner that the terms and provisions of the Plan and the awards are exempt from or comply with Section 409A of the Code. Notwithstanding anything to the contrary in this Plan (and unless the Agreement specifically provides otherwise), if the shares of Common Stock are publicly traded, and if a Holder holding an award that constitutes "deferred compensation" under Section 409A of the Code is a "specified employee" for purposes of Section 409A of the Code, no distribution or payment of any amount that is due because of a "separation from service" (as defined in Section 409A of the Code without regard to alternative definitions thereunder) will be issued or paid before the date that is six (6) months following the date of such Holder's "separation from service" or, if earlier, the date of the Holder's death, unless such distribution or payment can be made in a manner that complies with Section 409A of the Code, and any amounts so deferred will be paid in a lump sum on the day after such six (6) month period elapses, with the balance paid thereafter on the original schedule.

- s. Sub-Plans. The Committee may from time to time establish sub-plans under the Plan for purposes of satisfying blue sky, securities, tax or other laws of various jurisdictions in which the Company intends to grant awards. Any sub-plans shall contain such limitations and other terms and conditions as the Committee determines are necessary or desirable. All sub-plans shall be deemed a part of the Plan, but each sub-plan shall apply only to the participants in the jurisdiction for which the sub-plan was designed.
- t. Non-Registered Stock. The shares of Common Stock to be distributed under this Plan have not been, as of the Effective Date, registered under the Securities Act or any applicable state or foreign securities laws and the Company has no obligation to any Holder to register the Common Stock or to assist the Holder in obtaining an exemption from the various registration requirements, or to list the Common Stock on a national securities exchange or any other trading or quotation system.
