EXPLANATORY NOTE

This revised proxy statement (this “Proxy Statement”) of Nuvve Holdings Corp. (“we,” “us,” “our” or the “Company”) amends, restates and supersedes the definitive proxy statement filed by the Company with the Securities and Exchange Commission on April 29, 2024 (the “Original Proxy Statement”) in connection with the Company’s annual meeting of stockholders for fiscal year 2024 (the “Annual Meeting”).

The Company previously scheduled the Annual Meeting for August 20, 2024 at 1:00 p.m. Eastern Time, and established June 27, 2024 as the record date for determining stockholders eligible to vote at the Annual Meeting. On July 5, 2024, the Company announced that its Board of Directors (the “Board”) had decided to reschedule the Annual Meeting to September 9, 2024, and set a new record date of July 15, 2024 for determining the stockholders entitled to vote at the Annual Meeting.

This Proxy Statement is being filed to: (i) add a new Proposal 5 to approve an amendment to the Company’s Certificate of Incorporation, and to authorize the Board to effect a reverse stock split of the Company’s issued and outstanding Common Stock, par value \$0.0001 per share, within a range from 1-for-2 to 1-for-10, inclusive, with the exact ratio of the reverse stock split to be determined by the Board; (ii) reflect the rescheduling of the Annual Meeting from August 20, 2024 to September 9, 2024; (iii) change the record date for determining the stockholders entitled to notice of, and to vote at, the Annual Meeting from June 27, 2024 to the close of business on July 15, 2024; and (iv) correct, supplement and update certain information and disclosures set forth in the Original Proxy Statement.

This Proxy Statement should be read in place of the Original Proxy Statement, and amends, restates and supersedes the Original Proxy Statement.

The proxy card that is being provided to stockholders with this Proxy Statement also amends, supersedes and replaces in its entirety the proxy card that was provided with the Original Proxy Statement. We urge you to mark and return the new proxy card provided with this Proxy Statement. Any proxy card received by the Company prior to the date of this Proxy Statement will be disregarded for purposes of determining the number of votes cast with respect to the proposals to be acted upon at the Annual Meeting. In order for your vote to be counted, you must submit a new proxy using the voting instructions on the new proxy card enclosed with this Proxy Statement.

The affirmative vote from the holders of a majority of the shares of the Common Stock entitled to vote and represented either in person or by proxy at the Special Meeting is required to approve this proposal (the “*Reverse Stock Split Proposal*”); and
- any other business as may properly come before the Annual Meeting.

Q: How does the Board recommend I vote on these proposals?

A: Our Board recommends a vote:

- “FOR” the election of the Class C director nominees named in this proxy statement;
- “FOR” Advisory Vote on Say-on-Pay (including golden parachute);
- “THREE YEARS” Advisory Vote on Frequency of Say on Pay once every three years;
- “FOR” the ratification of the appointment of Deloitte & Touche LLP as the Company’s independent registered certified public accounting firm for the fiscal year ending December 31, 2024; and
- “FOR” the Reverse Stock Split Proposal.

Q: When is the Annual Meeting and where will it be held?

A: The Annual Meeting will be held on September 9, 2024, at 1:00 p.m. Eastern Time, via live audio webcast at www.virtualshareholdermeeting.com/NVVE2024, where you will be able to listen to the meeting live, submit questions and vote online.

Q: Why are you holding a virtual Annual Meeting?

A: We believe a virtual-only meeting format facilitates shareholder attendance and participation by enabling all shareholders to participate fully, equally and without cost, using an Internet-connected device from any location around the world. In addition, the virtual-only meeting format increases our ability to engage with all shareholders, regardless of size, resources or physical location and enables us to protect the health and safety of all attendees. Our shareholders will be afforded the same opportunities to participate at the virtual Annual Meeting as they would at an in-person annual meeting of shareholders.

Q: What do I need to do to attend the Annual Meeting?

A: You will be able to attend the Annual Meeting, submit your questions during the meeting and vote your shares electronically at the meeting by visiting www.virtualshareholdermeeting.com/NVVE2024. To participate in the Annual Meeting, you will need the control number included on your Notice, proxy card or voting instruction form, as applicable. The Annual Meeting webcast will begin promptly at 1:00 p.m. Eastern Time. We encourage you to access the Annual Meeting prior to the start time. Online check-in will begin at 12:45 p.m. Eastern Time, and you should allow ample time for the check-in procedures.

- We will have technicians ready to assist you with any technical difficulties you may have accessing the Annual Meeting. If you encounter any difficulties accessing the virtual-only Annual Meeting platform, including any difficulties with your control number or submitting questions, you may call the technical support number that will be posted on the Annual Meeting log-in page.
- Shareholders will have the opportunity to submit questions during the Annual Meeting by following the instructions on the virtual-only Annual Meeting platform. Following the presentation of all proposals at the Annual Meeting, we will answer as many shareholder-submitted questions as time permits.

Q: Who is entitled to vote?

A: Only holders of record of our common stock at the close of business on July 15, 2024 will be entitled to notice of, and to vote at, the Annual Meeting. As of the close of business on the record date, 6,527,227 shares of common stock were issued and outstanding. Every shareholder is entitled to one vote for each share of common stock held on the record date.

- *Registered Shareholders.* If our shares of common stock are registered directly in your name with our transfer agent, Continental Stock Transfer and Trust Company, you are considered the shareholder of record with respect to those shares, and the Notice or a printed set of the proxy materials was provided to you directly by us. As the stockholder of record, you have the right to grant your proxy directly to the individuals listed on the proxy card or to virtually vote live during the Annual Meeting. Throughout this proxy statement, we refer to these registered stockholders as “stockholders of record.”
- *Street Name Stockholders.* If our shares of common stock are held on your behalf by a broker, bank or other nominee, you are considered to be the beneficial owner of shares that are held in “street name,” and the Notice or a printed set of the proxy materials was forwarded to you by your broker or nominee, who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or other nominee as to how to vote your shares.

Q: How do I vote?

A: If you are a stockholder of record, there are four ways to vote:

- by Internet at www.proxyvote.com, 24 hours a day, seven days a week, until 11:59 p.m. Eastern Time on September 8, 2024 (have your Notice or proxy card in hand when you visit the website);
- by toll-free telephone at 1-800-690-6903, until 11:59 p.m. Eastern Time on September 8, 2024 (have your Notice or proxy card in hand when you call);
- by completing the enclosed proxy card and returning it in the pre-addressed, postage paid envelope provided to you (if you received printed proxy materials); or
- by attending the virtual meeting by visiting www.virtualshareholdermeeting.com/NVVE2024, where you may vote and submit questions during the meeting. Please have your control number located on your proxy card or Notice in hand when you visit the website.

If you hold your shares in street name through a broker, bank or other nominee, you will receive instructions from your broker, bank or other nominee on how to vote your shares. Your broker, bank or other nominee will allow you to deliver your voting instructions over the Internet and may also permit you to vote by telephone. In addition, if you received a printed copy of this proxy statement, you may submit your voting instructions by completing, dating and signing the voting instruction form that was included with this proxy statement and promptly returning it in the pre-addressed, postage paid envelope provided to you.

Q: How may my brokerage firm vote my shares if I fail to provide timely directions?

A: Brokerage firms holding common shares in street name for their customers are generally required to vote such shares in the manner directed by their customers. If you hold your shares in street name through a brokerage firm and do not submit voting instructions to your broker, your broker will have discretion to vote your shares on routine matters. However, a broker cannot vote shares held in street name on non-routine matters unless the broker receives voting instructions from the stockholder. Proposal 4 (the Accountant Ratification Proposal) and Proposal 5 (the Reverse Stock Split Proposal) are each a routine matter, while each of Proposal 1 (the Director Election Proposal), Proposal 2 (Advisory Vote on Say-on-Pay Proposal) and Proposal 3 (Advisory Vote on Frequency of Say-on-Pay Proposal) is considered non-routine. Accordingly, if you hold your shares in street name and you do not submit voting instructions to your broker, your broker may exercise its discretion to vote your shares on Proposal 4 and Proposal 5, but will not be permitted to vote your shares on Proposal 1, Proposal 2, and Proposal 3. If your broker exercises this discretion, your shares will be counted as present and entitled to vote for determining the presence of a quorum at the Annual Meeting and will be voted on Proposal 4 and Proposal 5 in the manner directed by your broker, but your shares will constitute “broker non-votes” for Proposal 1, Proposal 2, and Proposal 3.

The Company believes that Proposal 5 (the Reverse Stock Split Proposal) is a routine matter under applicable rules. Accordingly, we believe your broker, bank, or other holder of record will generally have discretion to vote your shares on Proposal 5. Because brokers have discretionary authority to vote in the absence of instructions, we do not expect any broker non-votes.

However, whether a proposal is “routine” or “non-routine” remains subject to the final determination of the New York Stock Exchange, which regulates broker-dealers and their discretion to vote on stockholder proposals. Therefore, it is possible that brokers will not have discretionary authority with respect to the Reverse Stock Split Proposal, in which case, if you do not instruct your broker how to vote with respect to the Reverse Stock Split Proposal, your broker may not vote with respect to such proposal. In such case, shares subject to a broker non-vote will have the effect of a vote against Proposal 5.

Q: How will voting on any other business be conducted?

A: We are not aware of any business to be brought before the stockholders at the Annual Meeting other than as described in this proxy statement. However, if any other business is properly presented for stockholder consideration, your signed proxy card gives authority to Gregory Poilasne and David Robson to vote on those matters in their discretion.

Q: What constitutes a quorum?

A: Stockholders may not take action during the Annual Meeting unless there is a quorum present at the meeting. A meeting of stockholders is duly constituted, and a quorum is present, if, at the commencement of the meeting, there are present in person or by proxy holders representing one-third of the common stock outstanding and entitled to vote at the meeting. Abstentions, withheld and broker non-votes (as described above) will be included in the calculation of the number of shares considered to be present at the meeting for quorum purposes.

Q: How many votes are needed for approval of each proposal presented in this proxy statement?

A: Assuming a quorum is present at the Annual Meeting:

Proposal 1 (Director Election Proposal): The Directors shall be elected by a plurality of the votes cast by the holders of the issued and outstanding shares of the Company’s common stock, represented in person or by proxy at the meeting and entitled to vote thereon, which means the two nominees who receive the most “FOR” votes will be elected. With respect to the election of directors, you may either vote “FOR” the nominees or you may “WITHHOLD” your vote for any nominee you specify. Withheld and broker non-votes are not considered votes cast for the foregoing purpose, and will have no effect on the election of director nominees.

Proposal 2 (Advisory Vote on Say-on-Pay Proposal): The Advisory Vote on Say-on-Pay Proposal shall be approved by a majority of the votes cast by the holders of the issued and outstanding shares of the Company’s common stock, represented in person or by proxy at the meeting and entitled to vote thereon. With respect to Proposal 2, you may either vote “FOR”, “AGAINST” or “ABSTAIN.” Abstentions and broker non-votes are not considered votes cast for the foregoing purpose, and will have no effect on the approval of the Advisory Vote on Say-on-Pay Proposal.

Proposal 3 (Advisory Vote on Frequency of Say-on-Pay Proposal): The Advisory Vote on Frequency of Say-on-Pay Proposal shall be approved by a majority of the votes cast by the holders of the issued and outstanding shares of the Company’s common stock, represented in person or by proxy at the meeting and entitled to vote thereon. With respect to Proposal 3, you may either vote “FOR”, “AGAINST” or “ABSTAIN.” Abstentions and broker non-votes are not considered votes cast for the foregoing purpose, and will have no effect on the approval of the Advisory Vote on Frequency of Say-on-Pay Proposal.

Proposal 4 (Accountant Ratification Proposal): Approval of Proposal 4 requires the affirmative vote of a majority of the issued and outstanding shares of the Company’s common stock, represented in person or by proxy at the meeting and entitled to vote thereon. With respect to Proposal 4, you may either vote “FOR”, “AGAINST” or “ABSTAIN.” Abstentions, which are considered present and entitled to vote on this matter, will have the same effect as a vote “AGAINST” this proposal. Brokerage firms have authority to vote customers’ unvoted shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker non-votes on this matter, which are not considered present and entitled to vote on this matter, will have the same effect as a vote “AGAINST” this proposal.

Proposal 5 (Reverse Stock Split Proposal): Approval of Proposal 5 requires the affirmative vote of a majority of the issued and outstanding shares of the Company's common stock, represented in person or by proxy at the meeting and entitled to vote thereon. With respect to Proposal 5, you may either vote "FOR", "AGAINST" or "ABSTAIN." Abstentions, which are considered present and entitled to vote on this matter, will have the same effect as a vote "AGAINST" this proposal. Brokerage firms have authority to vote customers' unvoted shares held by the firms in street name on this proposal, subject to the possible limitations discussed above. If a broker does not exercise this authority, such broker non-votes on this matter, which are not considered present and entitled to vote on this matter, will have the same effect as a vote "AGAINST" this proposal.

Notwithstanding the vote standard required by our certificate of incorporation, Proposal 2, Proposal 3 and Proposal 4, is only an advisory vote and is not binding on us. Our Board will consider the outcome of the vote on Proposal 2, Proposal 3 and Proposal 4 in considering what action, if any, should be taken in response to the advisory vote by stockholders.

Q: Can I change my vote?

A: Yes. If you are a stockholder of record, you can change your vote or revoke your proxy by:

- entering a new vote by Internet or by telephone until 11:59 p.m. Eastern Time on September 8, 2024;
- completing and returning a later-dated proxy card at any time before the Annual Meeting; and
- by virtually attending and voting at the Annual Meeting.

If you are a street name stockholder, your broker, bank or other nominee can provide you with instructions on how to change your vote.

Q: How are my shares voted if I submit a proxy but do not specify how I want to vote?

A: If you are a stockholder of record and you submit a properly executed proxy card or complete the telephone or Internet voting procedures but do not specify how you want to vote, your shares will be voted: (1) "FOR" the election of the Class C nominees for director; (2) "FOR" Advisory Vote on Say-on-Pay (including golden parachute); (3) "Three Years" Advisory Vote on Frequency of Say-on-Pay; (4) "FOR" the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2024; (5) "FOR" the Reverse Stock Split Proposal; and (6) in the discretion of the persons named as proxies on all other matters that may be brought before the Annual Meeting.

Q: Who will count the vote?

A: A representative of Broadridge Financial Services, Inc., an independent tabulator, will count the vote and act as the inspector of elections.

Q: Who will pay for this proxy solicitation?

A: We will pay all the costs of soliciting these proxies, except for costs associated with individual stockholder use of the Internet and telephone. In addition to mailing proxy solicitation material, our directors and employees may solicit proxies in person, by telephone or by other electronic means of communication. We will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to our stockholders. We have engaged Advantage Proxy, Inc. as our proxy solicitor, and we estimate that we will pay Advantage Proxy, Inc. a fee of approximately \$5,500, plus reimbursement for out of pocket expenses, to solicit proxies, though the costs of this proxy solicitation process could be lower or higher than our estimate.

Q: Where can I find the voting results of the Annual Meeting?

A: We will announce preliminary voting results at the Annual Meeting. We will also disclose voting results on a current report on Form 8-K that we will file with the SEC within four business days after the Annual Meeting. If final voting results are not available to us in time to file a current report on Form 8-K within four business days after the Annual Meeting, we will file a current report on Form 8-K to publish preliminary results and will provide the final results in an amendment to the current report on Form 8-K as soon as they become available.

Q: I share an address with another stockholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?

A: We have adopted a procedure called “householding,” which the SEC has approved. Under this procedure, we deliver a single copy of the Notice and, if applicable, our proxy materials to multiple stockholders who share the same address, unless we have received contrary instructions from one or more of such stockholders. This procedure reduces our printing costs, mailing costs and fees. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards. Upon written or oral request, we will deliver promptly a separate copy of the Notice and, if applicable, our proxy materials to any stockholder at a shared address to which we delivered a single copy of any of these materials. To receive a separate copy, or, if a stockholder is receiving multiple copies, to request that we only send a single copy of the Notice and, if applicable, our proxy materials, such stockholder may contact via e-mail at sendmaterial@proxyvote.com.

Street name stockholders may contact their broker, bank or other nominee to request information about householding.

Q: Who can help answer my questions?

A: This proxy statement, the Notice of Annual Meeting of Stockholders, our form of proxy card and our Annual Report on Form 10-K for the fiscal year ended December 31, 2023, are available for viewing, printing and downloading at www.proxyvote.com. To view these materials, please have available your 16-digit control number(s) that appears on your notice or proxy card. On this website, you can also elect to receive future distributions of our proxy statements and annual reports to stockholders by electronic delivery.

Additionally, you can find a copy of our Annual Report on Form 10-K, which includes our financial statements for the fiscal year ended December 31, 2023, on the website of the Securities and Exchange Commission (the “SEC”) at www.sec.gov, or in the “SEC Filings” section of the “Investors” section of our website at <https://muvve.com/>. You may also obtain a printed copy of our Annual Report on Form 10-K, including our financial statements, free of charge, from us by sending a written request to: Corporate Secretary, Nuvve Holding Corp., 2488 Historic Decatur Road, Ste 200, San Diego, California 92106. Exhibits will be provided upon written request and payment of an appropriate processing fee.

If you have questions about how to vote or direct a vote in respect of your shares or about the proposals, or if you need additional copies of the proxy statement or proxy card, you may view the Proxy Statement, and Annual Report on Form 10-K online OR you can receive a free paper or email copy of the material(s) by requesting prior to August 26, 2024. If you would like to request a copy of the material(s) for this and/or future stockholder meetings, you may (1) visit www.ProxyVote.com, (2) call 1-800-579-1639 or (3) send an email to sendmaterial@proxyvote.com. If sending an email, please include your control number (indicated below) in the subject line. Unless requested, you will not otherwise receive a paper or email copy.

**PROPOSAL 1
THE DIRECTOR ELECTION PROPOSAL**

The Board is divided into three classes, Class A, Class B and Class C. Currently, there is one director in Class A, Jon M. Montgomery, whose term expires at the 2025 annual meeting of stockholders, two directors in Class B, H. David Sherman and Angela Strand, whose terms expire at the 2026 annual meeting, and two directors in Class C, Gregory Poilasne and Ted Smith, whose terms expire at the Annual Meeting.

At the Annual Meeting, the Company's stockholders will elect two Class C directors, to hold office until the third succeeding annual meeting and until the respective successor is duly elected and qualified. The Board is nominating Gregory Poilasne and Ted Smith, current Class C directors, for re-election as Class C directors. Biographical information about the nominees can be found in "*Directors and Executive Officers*" below.

The nominees have agreed to be named in this proxy statement and to serve as directors if elected. Unless otherwise specified by you when you give your proxy, the shares subject to your proxy will be voted "FOR" the election of the nominees. In case the nominees become unavailable for election to the Board, an event which is not anticipated, the proxy holders, or their substitutes, shall have full discretion and authority to vote or refrain from voting your shares for any other person in accordance with their best judgment.

Required Vote and Recommendation

Nominees that receive the affirmative vote of a plurality of the votes cast by the holders of the issued and outstanding shares of the Company's common stock, represented in person or by proxy at the meeting and entitled to vote thereon, will be elected as a director.

THE BOARD RECOMMENDS THAT YOU VOTE "FOR" THE NOMINEES LISTED ABOVE.

PROPOSAL 2
THE ADVISORY VOTE ON SAY-ON-PAY PROPOSAL

As required by Section 14A(a)(1) of the Exchange Act, which was added under the Dodd-Frank Wall Street Reform and Consumer Protection Act, we are seeking your vote, on an advisory (non-binding) basis, on the compensation paid to our Named Executive Officers (“NEO”) (commonly known as a “say-on-pay”), as described in the executive compensation table and the accompanying narrative disclosure. Under its charter, pursuant to the powers delegated by the Board, the Compensation Committee has the sole authority to determine and approve compensation for our NEOs. Consistent with our compensation philosophy and objectives, our executive compensation program for our NEOs has been designed to align the interest of our NEOs with those of our stockholders, and to reward our leadership for, and incentivize them towards, increasing stockholder value.

We urge our stockholders to review the related executive compensation table for more information.

The say-on-pay vote is advisory, and therefore, not binding on the Board or the Compensation Committee. While the vote is non-binding, the Board and the Compensation Committee value the opinions that stockholders express in their votes and in any additional dialogue and will consider the outcome of the vote and those opinions when making future compensation decisions.

Unless otherwise specified by you when you give your proxy, the shares subject to your proxy will be voted “FOR” the Advisory Vote on Say-on-Pay Proposal.

Required Vote and Recommendation

The approval of the Advisory Vote on Say-on-Pay Proposal requires the affirmative vote of a majority of the votes cast by holders of the issued and outstanding shares of the Company’s common stock, represented in person or by proxy at the meeting and entitled to vote thereon.

**THE BOARD RECOMMENDS THAT YOU VOTE “FOR” APPROVAL OF THE ADVISORY
VOTE ON SAY-ON-PAY PROPOSAL.**

PROPOSAL 3
ADVISORY VOTE ON THE FREQUENCY OF SAY-ON-PAY PROPOSAL

In accordance with the Dodd-Frank Act and the related SEC rules promulgated thereunder, we are seeking the input of our stockholders on the frequency with which we will hold a non-binding, advisory vote by our stockholders to approve the compensation of our NEOs.

After careful consideration, it is the opinion of the Board that an advisory stockholder vote once every three years on the compensation of our NEOs is the most appropriate option for us. An advisory vote once every three years provides stockholders the opportunity to evaluate the Company's compensation program on a more thorough, longer-term basis than an annual vote. Our Board believes that a shorter time frame vote would not allow for changes to the Company's compensation program to be in place long enough to evaluate whether the changes were effective. An advisory vote once every three years encourages a longer-term view of compensation by our stockholders by allowing them to evaluate three years of compensation history and business results

While the Board has determined that the Frequency of Say-on-Pay vote shall be held once every three years, stockholders are not voting to approve or disapprove of the Board's determination. Rather, stockholders are being provided with the opportunity to cast an advisory vote on this Proposal 3. As an advisory vote, the result of the vote is not binding. However, the Board values the opinions of our stockholders in their vote on this matter, and will consider the outcome of the vote when making a determination as to the frequency of future advisory votes to approve NEOs compensation.

Unless otherwise specified by you when you give your proxy, the shares subject to your proxy will be voted "THREE YEARS" the Advisory Vote on the Frequency of Say-on-Pay Proposal.

Required Vote and Recommendation

The approval of the Advisory Vote on the Frequency of Say-on-Pay Proposal requires the affirmative vote of a majority of the votes cast by holders of the issued and outstanding shares of the Company's common stock, represented in person or by proxy at the meeting and entitled to vote thereon.

**THE BOARD RECOMMENDS THAT YOU VOTE "THREE YEARS" APPROVAL OF THE
ADVISORY VOTE ON THE FREQUENCY OF SAY-ON-PAY PROPOSAL.**

PROPOSAL 4
THE ACCOUNTANT RATIFICATION PROPOSAL

The Audit Committee has appointed Deloitte & Touche LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2024. At the Annual Meeting, stockholders will vote on a proposal to ratify this appointment.

While stockholder ratification of the Board's decision to retain Deloitte & Touche LLP is not required by the Company's bylaws or otherwise, the Board has chosen to submit that selection to the Company's stockholders for ratification. If the Company's stockholders fail to ratify the selection, the Board may, but is not required to, reconsider whether to retain that firm. Additionally, even if the selection is ratified, the Board may in its discretion direct the appointment of a different independent registered public accounting firm at any time during the fiscal year, if it determines that such a change would be in the best interests of the Company and its stockholders.

Deloitte & Touche LLP has advised the Company that the firm is independent with respect to the Company and its subsidiaries. The Company expects that representatives of Deloitte & Touche LLP will be present at the Annual Meeting to make statements and to respond to appropriate questions from the Company's stockholders.

Changes in Independent Registered Public Accounting Firm

Moss Adams LLP ("Moss Adams")

The Board appointed Moss Adams LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2021 following the Business Combination as of March 19, 2021.

Moss Adams had served as the independent registered public accounting firm for the Company since the Business Combination and served as the accounting firm for Nuvve from 2018 until the Business Combination.

As previously disclosed, on August 18, 2022, the audit committee received notice from Moss Adams, that it had made the decision to resign as the Company's independent registered public accounting firm, effective August 18, 2022. The audit committee accepted the resignation of Moss Adams also on August 18, 2022.

Moss Adams's reports on the financial statements for the years ended December 31, 2021 and 2020 did not contain an adverse opinion or a disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope, or accounting principles. During the fiscal years ended December 31, 2021 and 2020, and the subsequent interim periods preceding Moss Adams's resignation on August 18, 2022, there were no disagreements with Moss Adams on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement(s), if not resolved to the satisfaction of Moss Adams, would have caused it to make reference to the subject matter of the disagreement(s) in connection with its report. Additionally, during this time period, there were no reportable events as described in Item 304(a)(1)(v) of Regulation S-K, except that, as previously disclosed in the Company's Annual Report on Form 10-K for the year ended December 31, 2021 and Quarterly Reports on Form 10-Q for the quarterly periods ended March 31, 2022 and June 30, 2022, the Company identified material weaknesses in its internal control over financial reporting related to (i) segregation of duties related to roles and responsibilities; and (ii) documentation of financial closing policies and procedures, including consistently establishing approval thresholds, adhering to appropriate document retention and record-keeping practices, and documenting the review of agreements and accounting estimates.

During the fiscal years ended December 31, 2020 and 2021 and the subsequent interim period through the date of the audit committee's approval of Deloitte & Touche LLP as the Company's new independent registered public accounting firm effective October 20, 2022, neither the Company nor anyone on its behalf has consulted with Deloitte & Touche LLP regarding: (i) the application of accounting principles to a specific transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, and neither a written report nor oral advice was provided to the Company that Deloitte concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing, or financial reporting issue; (ii) any matter that was the subject of a disagreement within the meaning of Item 304(a)(1)(iv) of Regulation S-K and the related instructions; or (iii) any reportable event within the meaning of Item 304(a)(1)(v) of Regulation S-K.

The following table sets forth the fees billed for or in the years ended December 31, 2023 and 2022 by Deloitte & Touche LLP.

The aggregate fees included in Audit Fees are those billed for the fiscal year. The aggregate fees included in the Audit-Related Fees and Tax Fees are those fees billed in the fiscal year.

Pre-Approval Policies and Procedures

The audit committee of the Board has adopted policies and procedures for the pre-approval of audit and non-audit services for the purpose of maintaining the independence of the Company's independent auditor. The Company may not engage its independent auditor to render any audit or non-audit service unless either the service is approved in advance by the audit committee, or the engagement to render service is entered into pursuant to the audit committee's pre-approval policies and procedures. All accountant services and fees noted above were either approved in advance by the audit committee or rendered pursuant to such pre-approval policies and procedures.

Required Vote and Recommendation

Ratification of the appointment of Deloitte & Touche LLP requires the affirmative vote of a majority of the issued and outstanding shares of the Company's common stock represented in person or by proxy at the meeting and entitled to vote thereon.

THE BOARD RECOMMENDS THAT YOU VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

PROPOSAL 5
AMENDMENT TO THE COMPANY’S CERTIFICATE OF INCORPORATION AND
AUTHORIZATION OF THE BOARD TO EFFECT A REVERSE STOCK SPLIT

On July 1, 2024, the Board adopted a resolution approving, and recommending that the Company’s stockholders approve, this proposal to grant the Board the authority to file an amendment (the “Reverse Split Amendment”) to the Company’s Amended and Restated Certificate of Incorporation (the “Certificate”), to effect a reverse stock split (the “Reverse Stock Split”) at any ratio at the Board’s discretion, from 1-for-2 to 1-for-10, in order to comply with the Nasdaq minimum bid price requirements. Pursuant to the proposed Reverse Split Amendment, the form of which is attached to this proxy statement as Exhibit A, no changes will be made to the total number of shares of Common Stock authorized for issuance under the Certificate.

Purposes and Effect of the Reverse Split Amendment

The Board has determined that it is in the best interests of the Company and its stockholders to implement the Reverse Stock Split in order to reduce the number of shares of Common Stock outstanding. The Board believes that approval of a proposal providing the Board with this generalized grant of authority with respect to setting the split ratio, rather than mere approval of a pre-defined reverse stock split, will give the Board flexibility to set the ratio in accordance with current market conditions and therefore allow the Board to act in the best interests of the Company and our stockholders. The Board intends to implement the Reverse Stock Split as soon as practicable if approved at the Special Meeting. The Reverse Stock Split proposal is not part of a going-private transaction.

The Reverse Stock Split is intended to provide the capital structure that may facilitate further potential business and financing transactions and also increase the trading price of the Company’s Common Stock and provide us with greater liquidity and a stronger investor base.

Our Common Stock is listed on the Nasdaq Capital Market. On March 27, 2024, we received a notification letter (the “Notice”) from the Listing Qualifications Department of The Nasdaq Stock Market LLC (“Nasdaq”) indicating that we failed to comply with the minimum bid price requirement for continued listing set forth in Nasdaq Listing Rule 5550(a)(2). Nasdaq Listing Rule 5550(a)(2) requires listed securities to maintain a minimum bid price of \$1.00 per share, and Nasdaq Listing Rule 5810(c)(3)(A) provides that a failure to meet the minimum bid price requirement exists if the deficiency continues for a period of 30 consecutive business days. The Notice provided that we had 180 calendar days from the date of the Notice, or until September 23, 2024, to regain compliance.

If at any time before September 23, 2024, the closing bid price of our Common Stock is at or above \$1.00 per share for a minimum of 10 consecutive business days, Nasdaq will provide the Company written confirmation of compliance. The Nasdaq staff may, in its discretion, require the Company to maintain a bid price of at least \$1.00 per share for a period in excess of 10 consecutive business days, but generally no more than 20 consecutive business days, before determining that the Company has demonstrated an ability to maintain long-term compliance. If we implement the Reverse Stock Split, we must complete the split no later than 10 business days prior to September 23, 2024. If compliance cannot be demonstrated by September 23, 2024, Nasdaq will provide written notification that our securities will be delisted, at which point we may appeal the delisting determination to a Nasdaq Hearing Panel.

The Reverse Stock Split would decrease the total number of shares of our Common Stock outstanding and should, absent other factors, proportionately increase the market price of our Common Stock, which would be above \$1.00 per share. Therefore, the Board believes that the Reverse Stock Split is an effective means for us to regain compliance with Nasdaq’s minimum bid price requirement.

After the Reverse Stock Split is effected, if at all, we will continue to be subject to the periodic reporting requirements of the Exchange Act. By itself, the Reverse Stock Split will not have any impact on the market in which our common stock is traded; however, our common stock would be identified with a new CUSIP number following any Reverse Stock Split.

Certain Risks Associated with the Reverse Stock Split

The effect of the Reverse Stock Split upon the market price for our Common Stock cannot be accurately predicted, and the history of similar stock split combinations for companies in like circumstances is varied. In particular, while we expect that the Reverse Stock Split will result in an increase in the per share price of our Common Stock, there

is no assurance that the price per share of our Common Stock after the Reverse Stock Split is implemented will rise in proportion to the reduction in the number of shares of our Common Stock outstanding immediately prior to the Reverse Stock Split. Furthermore, there can be no assurance that the market price of our Common Stock immediately after the Reverse Stock Split will be maintained for any period of time. This will depend on many factors, including our performance, prospects and other factors that may be unrelated to the number of shares outstanding.

Even if an increased share price can be maintained, the Reverse Stock Split may not achieve the other desired results which have been outlined above. In particular, we cannot assure you that the Reverse Stock Split will increase our stock price and have the desired effect of maintaining compliance with the initial and continued listing requirements of Nasdaq or any other national securities exchange. Moreover, because some investors may view a reverse stock split negatively, there can be no assurance that the Reverse Split Amendment will not adversely impact the market price of our Common Stock or, alternatively, that the market price following the Reverse Stock Split will either exceed or remain in excess of the current market price.

In addition, although we believe the Reverse Stock Split may enhance the desirability of our Common Stock to certain potential investors, we cannot assure you that, if implemented, our Common Stock will be more attractive to institutional and other long-term investors or that the liquidity of our Common Stock will increase since there would be a reduced number of shares outstanding after the Reverse Stock Split.

Stockholders should recognize that if the Reverse Stock Split is effected, they will own a smaller number of shares than they currently own. Therefore, if the Reverse Stock Split is implemented, some stockholders may consequently own less than one hundred shares of our Common Stock. A purchase or sale of less than one hundred shares (an “odd lot” transaction) may result in incrementally higher trading costs through certain brokers, particularly “full service” brokers. Therefore, those stockholders who own less than one hundred shares following the Reverse Stock Split may be required to pay modestly higher transaction costs should they then determine to sell their shares in the Company.

However, the Board has determined that these negative factors are outweighed by the potential benefits.

Mechanics of the Reverse Stock Split

No Fractional Shares

Stockholders will not receive fractional shares of Common Stock in connection with the Reverse Stock Split. Instead, stockholders who would have been entitled to a fractional share will receive such additional fraction of a share of Common Stock as is necessary to increase the fractional share to which they were entitled to a full share.

Effect on Stock Options and Warrants

- The per share exercise price of any outstanding stock options would be increased proportionately, and the number of shares issuable under outstanding stock options and all other outstanding equity-based awards would be reduced proportionately;
- The number of shares of Common Stock authorized for future issuance under our stock incentive plans would be proportionately reduced and other similar adjustments would be made under the stock incentive plans to reflect the Reverse Stock Split; and
- The exercise, exchange or conversion price of all other outstanding securities that are exercisable or exchangeable for or convertible into shares of our Common Stock would be proportionately adjusted and the number of shares of Common Stock issuable upon such exercise, exchange or conversion would be proportionately adjusted.

[Table of Contents](#)

The table below provides examples of a Reverse Stock Split at various ratios between 1-for-2 and 1-for-10:

Shares Outstanding as of June 30, 2024	Reverse Stock Split Ratio	Shares Outstanding After Reverse Stock Split	Reduction in Shares Outstanding
6,527,227	1 – for – 2	3,263,614	3,263,613
6,527,227	1 – for – 3	2,175,743	4,351,484
6,527,227	1 – for – 4	1,631,807	4,895,420
6,527,227	1 – for – 5	1,305,446	5,221,781
6,527,227	1 – for – 6	1,087,872	5,439,355
6,527,227	1 – for – 7	932,461	5,594,766
6,527,227	1 – for – 8	815,904	5,711,323
6,527,227	1 – for – 9	725,248	5,801,979
6,527,227	1 – for – 10	652,723	5,874,504

The Reverse Stock Split will affect all holders of the Company’s Common Stock uniformly and will not change the proportionate equity interests of such stockholders, nor will the respective voting rights and other rights of holders of the Company’s Common Stock be altered, except for possible changes due to the treatment of fractional shares resulting from the Reverse Stock Split.

The Reverse Stock Split will not affect total stockholders’ equity on the Company’s balance sheet. As a result of the Reverse Stock Split, the stated capital component attributable to the Company’s Common Stock will be reduced to an amount equal to one-half to one-tenth of its present amount, in accordance with the range selected by the Board, and the additional paid-in capital component will be increased by the amount by which the Common Stock is reduced. Amounts for earnings (loss) per share of Common Stock will be restated for the effects of the Reverse Stock Split and will be higher than the previously disclosed amounts because there will be fewer shares of the Common Stock outstanding.

Authorized Shares of Common Stock

Because the number of authorized shares of Common Stock will not be reduced proportionately, the Reverse Stock Split will increase the ability of the Board to issue authorized and unissued shares without further stockholder action. We currently do not have any plans, arrangements or understandings to issue any of the authorized but unissued shares that would become available as a result of the Reverse Stock Split. However, as we have previously disclosed in our filings with the SEC, the development of our business will require substantial additional capital, and continued operations depend on our ability to raise additional funding, which could occur through fundraising transactions that involve issuance of shares of Common Stock or securities convertible into or exercisable for Common Stock; depending on several factors including the number of shares that are issued or issuable in any such transaction, such shares could include authorized but unissued shares that would become available as a result of the Reverse Stock Split.

Appraisal Rights

Under Delaware General Corporation Law, stockholders will not be entitled to exercise appraisal rights in connection with the Reverse Stock Split, and the Company will not independently provide stockholders with any such right.

Interest of Certain Persons in Matters to be Acted Upon

No officer or director has any interest that differs from our stockholders with regard to the treatment of any securities of the Company that they own in the event that the Reverse Stock Split is effected.

Certain U.S. Federal Income Tax Consequences of the Reverse Stock Split

The following is a summary of certain U.S. federal income tax consequences of the Reverse Stock Split generally applicable to beneficial holders of shares of the Common Stock and does not purport to be a complete discussion of all possible tax consequences. This discussion does not address all U.S. federal income tax considerations that may be relevant to particular stockholders in light of their individual circumstances or to stockholders that are subject to special rules such as financial institutions, tax-exempt organizations, insurance companies, dealers in securities,

holders subject to the alternative minimum tax, regulated investment companies or real estate investment trusts, partnerships (or other flow-through entities for U.S. federal income tax purposes and their partners or members), traders in securities that elect to use a mark-to-market method of accounting for their securities holdings, persons holding Common Stock as a position in a hedging transaction, straddle, conversion transaction or other risk reduction transaction; persons who acquire shares of Common Stock in connection with employment or other performance of services; persons who hold Common Stock as qualified small business stock within the meaning of Section 1202 of the Code, U.S. expatriates and foreign stockholders. The following summary is based on the provisions of the Internal Revenue Code (the "Code"), applicable Treasury Regulations thereunder, judicial decisions and current administrative rulings, as of the date hereof, all of which are subject to change, possibly on a retroactive basis. Tax consequences under state, local, foreign, and other laws are not addressed herein. Each stockholder should consult his, her or its own tax advisor as to the particular facts and circumstances that may be unique to such stockholder and also as to any estate, gift, state, local or foreign tax considerations arising out of the Reverse Stock Split.

We have not sought, and will not seek, an opinion of counsel or a ruling from the Internal Revenue Service ("IRS") regarding the United States federal income tax consequences of the Reverse Stock Split and there can be no assurance the IRS will not challenge the statements and conclusions set forth in this discussion or that a court would not sustain any such challenge. EACH HOLDER OF COMMON STOCK SHOULD CONSULT SUCH HOLDER'S TAX ADVISOR WITH RESPECT TO THE PARTICULAR TAX CONSEQUENCES OF THE REVERSE STOCK SPLIT TO SUCH HOLDER.

The federal income tax consequences of the Reverse Stock Split to a stockholder may depend upon whether such stockholder receives solely a reduced number of shares of Common Stock in exchange for its old shares of Common Stock or whether such stockholder also receives an additional fraction of a share of Common Stock (a "Round-Up Fractional Share") as is necessary to increase the fractional share the shareholder would have received to a full share.

The Company believes that the Reverse Stock Split should constitute a recapitalization pursuant to Section 368(a)(1)(E) of the Code.

Subject to the discussion below addressing the receipt by certain shareholders of a Round-Up Fractional Share, a stockholder should not recognize gain or loss for federal income tax purposes as a result of the Reverse Stock Split. In the aggregate, such stockholder's basis in the reduced number of shares of Common Stock (aside from any Round-Up Fractional Share) should equal the stockholder's basis in its old shares of Common Stock and such stockholder's holding period in the reduced number of shares should include its holding period in its old shares exchanged therefore.

The federal income tax treatment to stockholders who receive a Round-Up Fractional Share is unclear. The IRS may take the position that the receipt of an additional portion of a share results in a distribution, that it results in gain or that no income or gain is recognized. Any income or gain recognized should not exceed the excess of the fair market value of such full share over the fair market value of the fractional share to which such stockholder was otherwise entitled. Stockholders are urged to consult their own tax advisors as to the possible tax consequences of receiving a Round-Up Fractional Share in the Reverse Stock Split.

The Company should not recognize any gain or loss as a result of the Reverse Stock Split.

The above discussion is solely written in connection with the proposed Reverse Stock Split and is not intended or written to be used, and cannot be used by any person, for the purpose of avoiding U.S. federal tax penalties.

THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE APPROVAL OF THE REVERSE SPLIT AMENDMENT TO THE CERTIFICATE OF INCORPORATION AND AUTHORIZATION OF THE BOARD TO EFFECT A REVERSE STOCK SPLIT.

CORPORATE GOVERNANCE

Board Composition

The Company's business and affairs are organized under the direction of the Board. The size of the Board is currently set at six members and there are currently five members serving on the Board, with one vacancy. The primary responsibilities of the Board are to provide oversight, strategic guidance, counseling, and direction to the Company's management. The Board will meet on a regular basis and additionally as required.

In accordance with the Company's amended and restated certificate of incorporation, the Board is divided into three classes, Class A, Class B and Class C, with members of each class serving staggered three-year terms. The Company's directors are assigned to the following classes:

- Class A consists of Jon M. Montgomery, whose term will expire at our 2025 annual meeting of stockholders;
- Class B consists of H. David Sherman and Angela Strand, whose terms will expire at our 2026 annual meeting of stockholders; and
- Class C consists of Gregory Poilasne and Ted Smith, whose terms will expire at the Annual Meeting.

At each annual meeting of stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following their election and until their successors are duly elected and qualified. This classification of the Board may have the effect of delaying or preventing changes in control or management of the Company.

Mr. Montgomery currently serves as our Interim Chairperson of the Board. This structure ensures a greater role for the non-management directors in the oversight of the Company and active participation of these directors in setting agendas and establishing priorities and procedures for the work of the Board. In addition, this structure allows the Chief Executive Officer to focus his attention on implementing the Company's strategic plans, while a separate Chairperson can devote full attention to Board leadership functions. The Board will continue to periodically review the Company's leadership structure and may make such changes in the future as it deems appropriate and in the best interests of the Company and its stockholders. While the Board does not have a lead independent director, the independent directors meet in executive session regularly without the presence of management.

Independence of Directors

As a result of the Company's common stock being listed on the Capital Market of The Nasdaq Stock Market LLC ("Nasdaq"), the Company adheres to the listing rules of the Nasdaq in affirmatively determining whether a director is independent. The Board has consulted, and will consult, with its counsel to ensure that the Board's determinations are consistent with those rules and all relevant securities and other laws and regulations regarding the independence of directors. The rules of Nasdaq generally define an "independent director" as a person, other than an executive officer of a company or any other individual having a relationship which, in the opinion of the issuer's board of directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

The Board has determined that each of Mr. Montgomery, Mr. Sherman and Ms. Strand qualifies as an independent director, and that the Board consists of a majority of independent directors, as such term is defined under the rules of the SEC and Nasdaq. In addition, the Company is subject to the rules of the SEC and Nasdaq relating to the membership, qualifications, and operations of the audit committee, the compensation committee, and the nominating and corporate governance committee, as discussed below.

Limitation on Liability and Indemnification of Directors and Officers

The Delaware General Corporation Law authorizes corporations to limit or eliminate, subject to certain conditions, the personal liability of directors to corporations and their stockholders for monetary damages for breach of their fiduciary duties. Our amended and restated certificate of incorporation limits the liability of our directors to the fullest extent permitted by Delaware law.

We have director and officer liability insurance to cover liabilities our directors and officers may incur in connection with their services to the combined company, including matters arising under the Securities Act. Our amended and restated certificate of incorporation and bylaws also provide that the Company will indemnify its directors and officers to the fullest extent permitted by Delaware law. Our bylaws further provide that we will indemnify any other person whom it has the power to indemnify under Delaware law. In addition, we have entered into customary indemnification agreements with each of its officers and directors.

There is no pending litigation or proceeding involving any of our directors, officers, employees or agents in which indemnification will be required or permitted. We are not aware of any threatened litigation or proceedings that may result in a claim for such indemnification.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, executive officers or persons controlling the combined company, we have been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Board Role in Risk Oversight

The Board's primary function is one of oversight. The Board as a whole works with the Company's management team to promote and cultivate a corporate environment that incorporates enterprise-wide risk management into strategy and operations. Management periodically reports to the Board about the identification, assessment and management of critical risks and management's risk mitigation strategies. Each committee of the Board is responsible for the evaluation of elements of risk management based on the committee's expertise and applicable regulatory requirements. In evaluating risk, the Board and its committees consider whether the Company's programs adequately identify material risks in a timely manner and implement appropriately responsive risk management strategies throughout the organization. The audit committee focuses on assessing and mitigating financial and cybersecurity risks, including risk related to internal controls, and receives at least quarterly reports from management on identified risk areas. In setting compensation, the compensation committee strives to create incentives that encourage behavior consistent with the Company's business strategy, without encouraging undue risk-taking. The nominating and corporate governance committee considers areas of potential risk within corporate governance and compliance, such as management succession. Each of the committees reports to the Board as a whole as to their findings with respect to the risks they are charged with assessing.

Board Meetings and Committees

During the fiscal year ended December 31, 2023, the Board met eighteen times. All of the Company's directors attended 75% or more of the aggregate number of meetings of the Board and committees on which they served. The directors are strongly encouraged to attend meetings of stockholders.

The Board has established a standing audit committee, compensation committee, and nominating and corporate governance committee. The composition and function of each committee complies with all applicable requirements of the Sarbanes-Oxley Act of 2002, as amended, and the rules and regulations of the SEC. The Board adopted a charter for each of these committees, which complies with the applicable rules of Nasdaq. Copies of the charters for each committee are publicly available on the Company's website at www.nuvve.com/investors/corporate-governance.

Audit Committee

The audit committee consists of Mr. Sherman (chair), Mr. Montgomery and Angela Strand. The Board has determined that each member of the audit committee is an independent director as defined by the rules of Nasdaq applicable to members of an audit committee, including that each member meets the criteria for independence set forth in Rule 10A-3(b)(1) under the Exchange Act. In addition, as required by the rules of Nasdaq, each member of the audit committee is able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and statement of cash flows.

The audit committee meets on at least a quarterly basis. Both the Company's independent registered public accounting firm and management periodically meet privately with the audit committee. During the fiscal year ended December 31, 2023, the audit committee met five times.

The audit committee assists the Board in monitoring the integrity of the Company's financial statements, its compliance with legal and regulatory requirements, and the independence and performance of its internal and external auditors. The audit committee's duties, which are specified in the Company's audit committee charter, include, but are not limited to:

- meeting with the independent auditor prior to the audit to review the scope, planning, and staffing of the audit;
- reviewing and discussing with management and the independent auditor the annual audit report, the annual financial statements and related notes and management's discussion and analysis of financial condition and results of operations proposed to be included in the Company's annual report, and recommending to the Board whether the audited financial statements and related notes and management's discussion and analysis of financial condition and results of operations should be included in the Company's annual report;
- producing the report of the audit committee, as required by the rules of the SEC;
- reviewing and discussing with management and the independent auditor the Company's quarterly financial statements prior to the filing of each quarterly report and management's discussion and analysis of financial condition and results of operations proposed to be included in such quarterly report;
- discussing with management and the independent auditor, as appropriate, the Company's critical accounting policies and practices;
- reviewing and discussing with management and the independent auditor the Company's major financial and cybersecurity risk exposures and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies;
- discussing with the independent auditor the matters required to be discussed by PCAOB Auditing Standards No. 1301 and other applicable requirements of the PCAOB and the SEC;
- reviewing with management and the Company's independent auditors the adequacy and effectiveness of the Company's financial reporting process, internal control over financial reporting and disclosure controls and procedures;
- selecting and retaining an independent registered public accounting firm to act as the Company's independent auditors, and evaluating the qualifications, performance and independence of the independent auditor;
- reviewing and approving all related-party transactions;
- discussing with management the Company's compliance with applicable laws and regulations and with the Company's code of ethics in effect at such time, if any, and, where applicable, recommend policies and procedures for future compliance.
- recommending to the Board the appointment of, and continued evaluation of the performance of, independent auditors;
- approving the fees to be paid to the independent auditor for audit services and approving the retention of independent auditors for non-audit services and all fees for such services;
- reviewing periodic reports from the independent auditor regarding the auditor's independence, including discussion of such reports with the auditor; and
- discussing with the Company's counsel legal and regulatory matters that may have a material impact on the financial statements or the Company's compliance policies.

Financial Experts on Audit Committee

The Board determined that Mr. Sherman qualifies as an audit committee financial expert within the meaning of the rules and regulations of the SEC. In making this determination, the Board considered Mr. Sherman's formal education and previous experience in financial roles. In addition, as required by the rules of Nasdaq, the Company has at least one member who has past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background that results in the individual's financial sophistication. The Board determined Mr. Sherman qualifies as financially sophisticated under the rules of Nasdaq.

Report of the Audit Committee

The audit committee reviewed and discussed the Company's audited financial statements for the year ended December 31, 2023 with management, as well as with the Company's independent auditors. The audit committee discussed with the independent auditors the matters required to be discussed by the statement on Auditing Standards No. 1301, as well as various accounting issues relating to presentation of certain items in the Company's financial statements and compliance with Section 10A of the Securities Exchange Act of 1934, as amended. The audit committee received the written disclosures and letter from the independent auditors required by the applicable requirements of the PCAOB regarding the independent auditors' communications with the audit committee concerning independence, and has discussed with the independent auditors their independence.

Based upon the review and discussions referred to above, the audit committee recommended that the Company's audited financial statements be included in the Company's annual report on Form 10-K for the year ended December 31, 2023, for filing with the Securities and Exchange Commission.

Compensation Committee

The compensation committee consists of Ms. Strand (chair), Mr. Montgomery and Mr. Sherman. The Board has determined that each member of the compensation committee is an independent director as defined by the rules of Nasdaq applicable to members of a compensation committee. The Board also determined that each member of the compensation committee is a non-employee director, as defined in Rule 16b-3 promulgated under the Exchange Act.

The compensation committee meets from time to time to consider matters for which approval by the committee is desirable or is required by law. During the fiscal year ended December 31, 2023, the compensation committee met seven times.

The compensation committee's duties, which are specified in the Company's compensation committee charter, include, but are not limited to:

- establishing, reviewing and approving the overall executive compensation philosophy and policies of the Company, including the establishment, if deemed appropriate, of performance-based incentives that support and reinforce the Company's long-term strategic goals, organizational objectives, and stockholder interests;
- reviewing and approving the Company's goals and objectives relevant to the compensation of the Company's named executive officers, annually evaluate such officers' performance in light of those goals and objectives and, based on this evaluation, determine such officers' compensation level;
- determining the compensation of all other executive officers;
- receiving and evaluating performance target goals for the senior officers and employees (other than executive officers);
- producing the report of the compensation committee, if required by the rules of the SEC;

[Table of Contents](#)

- administering or delegating the power to administer the Company’s incentive and equity-based compensation plans;
- reviewing and making recommendations to the Board with respect to the adoption of, and amendments to, incentive compensation and equity-based plans;
- reviewing and approving any annual or long-term cash bonus or incentive plans in which the executive officers of the Company may participate;
- if required under Regulation S-K, reviewing the Company’s compensation discussion and analysis, discussing it with the Company’s management, and determining whether to recommend it for inclusion in the Company’s annual report or proxy statement;
- reviewing the Company’s incentive compensation arrangements to determine whether they encourage excessive risk-taking, reviewing and discussing at least annually the relationship between risk management policies and practices and compensation, and evaluating compensation policies and practices that could mitigate any such risk; and
- reviewing all director compensation and benefits for service on the Board and committees thereof at least once a year and recommending any changes to the Board, as necessary.

The compensation committee makes all decisions regarding executive officer compensation. The compensation committee periodically reviews the elements of compensation for the Chief Executive Officer, the President and Chief Operating Officer, the Chief Financial Officer and the other executive officers and, subject to any existing employment agreements, sets each element of compensation for the executive officers, including annual base salary, annual incentive bonus and equity compensation. The compensation committee also periodically reviews the terms of employment agreements with the Chief Executive Officer, Chief Financial Officer and other executive officers, including in connection with any new hire or the expiration of any existing employment agreements. The compensation committee will consider the recommendations of the Chief Executive Officer when determining compensation for the other executive officers. Executive officers do not determine any element or component of their own pay package or total compensation amount. The Chief Executive Officer has no role in determining and is not present for any discussions regarding his own compensation.

The compensation committee also reviews and approves the Company’s compensation plans, policies and programs and administers the Company’s equity incentive plan. In addition, the Chief Executive Officer, the Chief Financial Officer and other members of management make recommendations to the compensation committee with regard to overall pay strategy including program designs, annual incentive design, and long-term incentive plan design for all employees. Management from time to time provides the compensation committee with market information and relevant data analysis as requested.

The compensation committee retains sole authority to engage compensation consultants, including determining the nature and scope of services and approving the amount of compensation for those services, and legal counsel or other advisors. The compensation committee assesses the independence of any consultants pursuant to the rules and regulations of the SEC and the listing standards of Nasdaq. The Company will provide for appropriate funding, as determined by the compensation committee, for payment of any such investigations or studies and the compensation to any consulting firm, legal counsel or other advisors retained by the compensation committee.

Nominating and Corporate Governance Committee

The nominating and corporate governance committee consists of Mr. Montgomery (chairperson), Mr. Sherman and Ms. Strand. The Board has determined that each member of the nominating and corporate governance committee is an independent director as defined by the rules of Nasdaq applicable to members of a nominating committee.

The nominating and corporate governance committee meets from time to time to consider matters for which approval by the committee is desirable or is required by law. During the year ended December 31, 2023, the nominating and corporate governance committee met two times.

The nominating and corporate governance committee is responsible for overseeing the selection of persons to be nominated to serve on the Board. The nominating and corporate governance committee also is responsible for developing a set of corporate governance policies and principles and recommending to the Board any changes to such policies and principles.

Guidelines for Selecting Director Nominees

The nominating committee and corporate governance committee will consider persons identified by its stockholders, management, investment bankers and others. The guidelines for selecting nominees, which are specified in the nominating and corporate governance committee charter, generally provide that persons to be nominated:

- should be accomplished in their field and have a reputation, both personal and professional, that is consistent with the image and reputation of the Company;
- should possess relevant experience and expertise and knowledge of the Company and issues affecting the Company; and
- should be of high moral and ethical character and committed to enhancing stockholder value.

The nominating committee and corporate governance committee will consider a number of qualifications relating to management and leadership experience, background and integrity and professionalism in evaluating a person's candidacy for membership on our board of directors. The nominating committee and corporate governance committee may require certain skills or attributes, such as financial or accounting experience, to meet specific board needs that arise from time to time and will also consider the overall experience and makeup of its members to obtain a broad and diverse mix of board members. The nominating committee does not distinguish among nominees recommended by stockholders and other persons.

In addition, the Company has granted board rights to certain of its investors and partners:

- In connection with the formation of the Levo Mobility LLC ("Levo") joint venture with Stonepeak Rocket Holdings LP ("Stonepeak") and Evolve Transition Infrastructure LP ("Evolve"), the Company entered into a board rights agreement with Stonepeak. Under the board rights agreement, for so long as Stonepeak and Evolve beneficially own at least 10% of the Company's common stock, Stonepeak has the right to designate one individual for appointment as a member of the Board and as a member of one committee of the Board (or two committees, if Stonepeak and Evolve beneficially own at least 15% of the Company's common stock, or all committees, if Stonepeak and Evolve beneficially own at least 25% of the Company's common stock). Any such designee must meet certain qualification requirements.

The Board's objective is that its membership be comprised of a diverse group of experienced and dedicated individuals. Though the nominating committee does not have specific guidelines on diversity, it is one of many criteria considered by the nominating committee when evaluating candidates. In addition, the Company is subject to the requirements of California law and the rules of Nasdaq relating to diversity.

The nominating committee does not have a written policy or formal procedural requirements for stockholders to submit recommendations for director nominations. However, the nominating and corporate governance committee will consider properly submitted recommendations for candidates to the Board from stockholders in accordance with the Company's bylaws. Stockholders should communicate nominee suggestions directly to the nominating committee and accompany the recommendation with biographical details and a statement of support for the nominee. The suggested nominee must also provide a statement of consent to being considered for nomination. There have been no material changes to the procedures by which security holders may recommend nominees to the Board.

Code of Ethics

The Company adopted a code of ethics that applies to all of its directors, officers and employees. A copy of the code of ethics is publicly available on the Company's website at www.nuvve.com/investors/corporate-governance. We also intend to disclose future amendments to, or waivers of, its code of ethics, as and to the extent required by SEC regulations, on our website.

Policy Against Hedging and Pledging

We maintain an Insider Trading Policy that, among other things, generally prohibits all officers, including our NEOs, directors and employees from engaging in “hedging” transactions with respect to our shares. This includes short sales, hedging of share ownership positions, and transactions involving derivative securities relating to our shares. The Insider Trading Policy also generally prohibits borrowing or other arrangements involving the non-recourse pledge of our shares.

Stockholder Communications

Stockholders and interested parties may communicate with the Board, any committee or committee chairperson or the independent directors as a group by writing to the board, committee, committee chairperson or independent directors in care of Nuvve Holding Corp., 2488 Historic Decatur Rd., Suite 200, San Diego, California 92106. Each communication will be forwarded, depending on the subject matter, to the board, the appropriate committee or committee chairperson or all independent directors.

DIRECTOR COMPENSATION

The Board has established, based upon the recommendation of the compensation committee, a compensation program for the non-employee members of the Board. The compensation program is designed to align the directors' compensation with the combined company's business objectives and the creation of stockholder value. The compensation committee and the Board expect to review non-employee director compensation periodically to ensure that such compensation remains competitive and enables the combined company to recruit and retain qualified directors.

Under the non-employee directors' compensation program, each non-employee director will receive an annual cash retainer and will receive cash fees for serving as chair or as a member of the audit, compensation or nominating and corporate governance committees, as follows:

2010 Plan

Pursuant to the Merger Agreement, the 2010 Plan and the options granted thereunder were adopted and assumed by the Company upon the closing of the Business Combination, but the 2010 Plan was amended so that no further awards may be granted thereunder.

Administration. The compensation committee administers the 2010 Plan. Subject to the terms of the 2010 Plan, the administrator has the power to, among other things, construe and interpret the terms of the 2010 Plan and awards granted thereunder, accelerate the time at which awards may be exercised or vest, and amend the 2010 Plan.

Options. No option granted under the 2010 Plan is exercisable after the expiration of ten years from the date of its grant. The exercise price per share of each option granted under the 2010 Plan was at least 100% of the fair market value per share of Nuvve’s common stock on the grant date. Certain of the options granted under the 2010 Plan include a provision whereby the participant may elect at any time before the participant’s service terminates to exercise the option as to any part or all of the shares subject to the option prior to the full vesting of the option. Subject to certain limitations, any unvested shares so purchased would be subject to a repurchase right in favor of the Company.

Changes to Capital Structure. In the event of certain changes to the Company’s capital structure, such as a merger, consolidation, reorganization, recapitalization, non-cash dividends, large nonrecurring dividends, liquidating dividend, exchange of shares, stock dividend, stock split, reverse stock split or similar equity restructuring transaction, the administrator will appropriately and proportionately adjust (i) the class and maximum number of securities subject to the 2010 Plan, (ii) the class and maximum number of securities that may be issued pursuant to the exercise of incentive stock options, and (iii) the class and number of securities and price per share of stock subject to outstanding awards. In the event of a corporate transaction (as defined in the 2010 Plan), the administrator of the 2010 Plan may arrange for acceleration of the vesting of the awards and/or for the acquiring corporation to assume or continue the awards under the 2010 Plan. In the event of a change in control (as defined in the 2010 Plan), an award under the 2010 Plan may be subject to additional acceleration of vesting and exercisability as provided in the award agreement or in any other agreement between the Company and the participant.

Related Party Transactions

Intellectual Property Acquisition and Research Activities

On November 7, 2017, the Company entered into an IP acquisition agreement with the University of Delaware, a beneficial owner of less than 5% of the outstanding the Company common stock. Pursuant to the IP acquisition agreement, the University of Delaware assigned to the Company certain of the key patents underlying its V2G technology.

Under the agreement, the Company agreed to make certain milestone payments to the University of Delaware in the aggregate amount of up to \$7,500,000 based on the achievement of certain substantial commercialization targets.

The IP acquisition agreement terminates upon the later of the date all the milestone payments described above are made and the expiration date of the patents transferred to the Company. If the University of Delaware terminates the agreement upon the material breach by the Company of certain limited provisions of the IP assignment agreement (which do not include the milestone payment provisions) that is not cured with 45 days after notice from the university, the Company will be required to assign the patents back to the university. In the event the University of Delaware notifies the Company of a third party's interest in a region in which the patents are valid, and the Company does not within 60 days inform the university that either it intends to address the region pursuant to a commercially reasonable development plan or it intends to enter into a license agreement with an identified third party, the Company will be deemed to have granted to the University of Delaware an exclusive sublicensable license to the patents in the unaddressed region.

In addition, on September 1, 2016, the Company entered into a research agreement with the University of Delaware, whereby the university performs research activity as specified annually by the Company. Under the terms of the agreement, the Company pays a minimum of \$400,000 annually in equal quarterly installments. For each of the years ended December 31, 2023 and 2022, \$400,000 was paid under the research agreement.

System Development in Japan

On July 9, 2018, the Company entered into a foundation agreement with TTC, a beneficial owner of more than 5% of the outstanding the Company common stock, and on January 9, 2020, the Company entered into a system development and license agreement with TTC. Under the foundation agreement, the Company develops charger systems incorporating V2G technology for TTC in connection with various projects in Japan. Under the system development and license agreement, the Company agreed to develop commercial V2G systems specifically targeted for the Japanese market for TTC and granted TTC an exclusive license to the intellectual property for any such newly developed target V2G systems in Japan. Under the agreements, TTC paid Nuvve fees in the amount of \$192,413 and \$40,500 during the years ended December 31, 2023 and 2022, respectively.

Investments

The Company accounts for its 13% equity ownership in Dreev as an investment in equity securities without a readily determinable fair value subject to impairment. The Company has a consulting services agreement with Dreev related to software development and operations. The consulting services were \$43,399 and zero for the years ended December 31, 2023 and December 31, 2022, respectively.

Related Person Policy

The Company's written related party transaction policy requires the Company's directors, nominees for director, officers, employees and 5% stockholders, and their immediate family members, to avoid, wherever possible, all related party transactions. Related-party transactions are defined as transactions in which (1) the aggregate amount involved will or may be expected to exceed \$120,000 in any calendar year, (2) the Company or any of its subsidiaries is a participant, and (3) any (a) executive officer, director or nominee for election as a director, (b) greater than 5% beneficial owner of the Company common stock, or (c) immediate family member, of the persons referred to in clauses (a) and (b), has or will have a direct or indirect material interest (other than solely as a result of being a director

or a less than 10% beneficial owner of another entity). In addition, the Company's written code of ethics requires the Company's directors, officers and employees to avoid conflicts of interest. A conflict of interest situation can arise when a person takes actions or has interests that may make it difficult to perform his or her work objectively and effectively. Conflicts of interest may also arise if a person, or a member of his or her family, receives improper personal benefits as a result of his or her position.

The Company's audit committee, pursuant to its written charter and related party transaction policy, is responsible for reviewing and approving related-party transactions to the extent the Company enters into such transactions. All ongoing and future transactions between the Company and any of its officers and directors or their respective affiliates shall be approved only if such transactions are on terms believed by the audit committee to be no less favorable to the Company than are available from unaffiliated third parties and such transaction does not constitute a conflict of interest. The audit committee, in its sole discretion, may impose such conditions as it deems appropriate on the Company or the related party in connection with the approval of the related party transaction. Upon approval by the audit committee, the related party transaction and any conditions thereon will be presented to the Board for approval by a majority of its disinterested independent members.

Prior to entering into the proposed transaction, related parties are required to notify the Company's Chief Financial Officer of the facts and circumstances of the proposed transaction. Additionally, the Company requires each of its directors and executive officers to complete a directors' and officers' questionnaire that elicits information about related party transactions.

These procedures are intended to determine whether any such related party transaction impairs the independence of a director or presents a conflict of interest on the part of a director, employee or officer.

DISCRETIONARY VOTING OF PROXIES ON OTHER MATTERS

The Company does not intend to bring before the Annual Meeting any matters other than those specified in the Notice of the Annual Meeting, and the Company does not know of any business which persons other than the Board intend to present at the Annual Meeting. Should any business requiring a vote of the stockholders, which is not specified in the notice, properly come before the Annual Meeting, the proxy holders specified in this proxy statement and in the accompanying proxy card intend to vote the shares represented by them in accordance with their best judgment.

STOCKHOLDER PROPOSALS AND NOMINATIONS

The Company's bylaws contain provisions intended to promote the efficient functioning of stockholder meetings. Some of the provisions require advance notice to the Company of stockholder proposals or director nominations to be considered at an annual meeting. Under the Company's bylaws, in order to properly bring stockholder proposals or director nominations before an annual meeting, even if the stockholder does not intend to include such proposal in the Company's proxy materials, the stockholder must deliver written notice of such proposal or nomination to the Secretary not less than 60 days nor more than 90 days prior to the meeting; provided, however, that in the event that less than 70 days' notice or prior public disclosure of the date of the annual meeting is given or made to stockholders, notice by a stockholder, to be timely, must be received no later than the close of business on the 10th day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure was made. A notice of a stockholder proposal or director nomination must include the information set forth in the Company's bylaws. Stockholder proposals and director nominations should be addressed to Corporate Secretary, Nuvve Holding Corp., 2488 Historic Decatur Road, Ste 200, San Diego, California 92106.

In order for stockholders to give timely notice of nominations for directors, other than those nominated by the Company, for inclusion on a universal proxy card in connection with the 2024 annual meeting, notice must be submitted in accordance with our bylaws or in accordance with Rule 14a-19 as promulgated under the Exchange Act or as otherwise permitted by law and include all of the information required by Rule 14a-19 under the Exchange Act. However, if the date of the 2025 annual meeting changes by more than 30 days from this year's Annual Meeting, Rule 14a-19 requires the notice be provided by the later of 60 calendar days prior to the date of the 2025 annual meeting or the tenth (10th) calendar day following the day on which we first publicly announce the date of the 2025 annual meeting.

OTHER STOCKHOLDER COMMUNICATIONS

Stockholders and interested parties may communicate with the Board, any committee chairperson or the non-management directors as a group by writing to the board or committee chairperson in care of Corporate Secretary, Nuvve Holding Corp., 2488 Historic Decatur Rd., Suite 200, San Diego, California 92106. Each communication will be forwarded, depending on the subject matter, to the Board, the appropriate committee chairperson or all non-management directors.

DELIVERY OF DOCUMENTS TO SHAREHOLDERS

Pursuant to the rules of the SEC, the Company and its agents that deliver communications to its stockholders are permitted to deliver to two or more stockholders sharing the same address a single copy of the Company's proxy statement. Upon written or oral request, the Company will deliver a separate copy of this proxy statement to any stockholder at a shared address who wishes to receive separate copies of such documents in the future. Stockholders receiving multiple copies of such documents may likewise request that the Company deliver single copies of such documents in the future. Stockholders may notify the Company of their requests by calling or writing the Company at its principal executive offices at Corporate Secretary, Nuvve Holding Corp., 2488 Historic Decatur Rd., Suite 200, San Diego, California 92106.
